Police denies free cab driver

Darrell Willis, 23, of 2825 Maryville Road, faces eight charges after he allegedly held a Yellow Cab Co. driver hostage for more than an hour Friday afternoon while telling police to stay away or he would hurt the driver.

Newsboy robbed

Jerry Garrett, 1961 Spruce St., a newspaper delivery boy, was robbed of \$1 and small change by three or four teenage boys, one with a pocketknife, at Denver Street and Nevada Avenue at 9:20 p.m. Saturday. A 15-year-old Granite City boy was arrested moments later and has been charged with armed robbery. The other boys escaped. Garrett said the boys ap-

Captive youth cut with razor

James Miles, 21, of 1911 Grand Ave., was admitted to St. Elizabeth Hospital at 1:40 a.m. Saturday with a cut to his neck after he alleged two men held him captive and then cut him with a razor. Clyde Marcus, Fenton, Mo., said he was southbound on Route 111 just south of State Road 35 when he saw Miles in the middle of the highway seeking assistance.

He stopped and Miles got in his car, and said, "Some guy knived me." Miles was bleeding severely from the left side of his neck.

Marcus took him to the hospital, where he was admitted in fair condition. Madison County sheriff's deputies talked to Miles at the hospital. He told them he had been at a tavern in Washington Park and that two men talked him into going outside.

Once they were outdoors, one man held a razor to Miles'

The ordeal for Danny Smith, 1920 State St., the taxi driver, ended as police stopped the vehicle at a roadblock on Edwardsville Road and Edna Street at 3:15 p.m. Friday.

Smith said he picked up a man at the taxi stand at 2:10

p.m. Friday and the man insisted Smith take a woman in the cab home before letting him out.

They took the woman to her home in the 2800 block of Maryville Road. When she left the taxi, the man reached from the back seat to the front seat and put his arm around Smith's neck, police were told.

The abductor climbed into the front seat as Smith used his taxi radio and called for help.

The man told Smith to drive down Maryville Road and then told him to stop the taxi. He was told to move over and let the abductor drive.

They drove to Pontoon Beach, where the man reportedly left the taxi and purchased beer at Shang's Warehouse Liquor Co., 4067 Pontoon Road.

He got back into the cab and drove to the Clark service station, 4001 Pontoon Road, where he was told to stop. He was then taken to the attendant and demanded, if anyone asked him or the taxi, that the attendant say he had not seen either.

They drove to Zamaroni's Tavern, 3998 Lake Drive, Pontoon Beach, where they went inside. The abductor called the cab stand, telling the dispatcher to call police and tell them to "back off" if they saw the cab.

They returned to the cab and the man drove Smith to Nameki Road, where the abductor saw a Madison County Sheriff's Department car. He used the taxi radio and told the dispatcher to tell police to "back off" or he would "blow him (Smith) away."

They drove to East 23rd Street and Route 162 where another sheriff's department car was notified. They turned west on Edwardsville Road and drove toward Madison, while being chased by the deputy's car.

When the abductor saw the roadblock, he allegedly sped up the taxi and drove toward the Madison County sheriff's office, which was stopped on the roadway. He turned the taxi back at the last second, just missing the squad car and going out of control.

The car crossed the highway and nearly struck several parked trucks on the south side of the road, officers said.

Deputy James Neumann and a Granite City police unit pulled the taxi to the edge of the road and a man jumped out of the cab and started to run, it was related.

He was caught immediately and, while being searched for weapons, became abusive, fought and had to be restrained, officers alleged.

Willis was charged with unlawful restraint, aggravated assault, criminal damage to property, possession of a dangerous weapon, attempting to elude police, illegal transportation of liquor, reckless driving and driving while his license was expired.

The levy plus increased state aid is expected to support a 1974-75 operating budget of \$3,376,875 which is \$553,273 higher than the budget for the previous fiscal year.

"The only help we are getting

ABRAHAM LINCOLN and Stephen A. Douglas have returned to the Illinois cities which heard them debate during their race for the Senate 116 years ago—played by actors, of course. The debates will continue each Sunday through Oct. 13, re-enacting the famed Lincoln-Douglas campaign of 1858. One of the programs will be presented at 2:30 p.m., Oct. 6 at Alton. Other locations include Freeport Sept. 29 and Jonesboro Oct. 13.

State aid bolstering Madison schools—valuation decreases

A new tax levy expected to result in a tax rate of \$3 per \$100 assessed valuation for schools was approved by the Madison Board of Education Thursday night. The anticipated new rate would be 3.8 cents higher than last year's rate of \$2.92.

The new tax levy of \$778,817 is down \$47,836 from last year's levy of \$826,653. The levy was lowered primarily because of a \$1 million reduction in assessed valuation in the district which could not be recovered because educational and building fund rates already are at their legal maximums.

The levy plus increased state aid is expected to support a 1974-75 operating budget of \$3,376,875 which is \$553,273 higher than the budget for the previous fiscal year.

"The only help we are getting

Hartigan seeks senior citizen sales tax cut

Lieutenant Governor Neil F. Hartigan today announced the formation of the Senior Citizens Action Committee, to work exclusively for HB 2715 between the end of the year and the middle of November.

Senior leaders who accompanied him at a press conference announced the formation of the Senior Citizens Action Committee, to work exclusively for HB 2715 between the end of the year and the middle of November.

"If senior force is to mean anything in 1974 it must mean doing something," Hartigan asserted.

"Sales tax relief must be a (Continued on Page 16)

Loss for quarter by Smith Corp.

Strikes at two major plants and an inflation-induced cost-price squeeze will cause a loss of between \$1,000,000 and \$1,500,000 at A. O. Smith Corporation in the third quarter. L. B. Smith, chairman and chief executive officer of the Milwaukee-based firm, estimates the loss at from 20 cents to 30 cents per share. In the third quarter of 1973, when most of the company's products

were still under price controls, A. O. Smith earned \$742,000 or 15 cents a share.

Sales in the 1974 third quarter will be off five per cent from a year ago, Smith said Friday. He estimated sales at \$132 million this year compared with \$139 million in 1973.

For the first nine months of the year, A. O. Smith expects to earn between \$4,045,000 and \$4,535,000, or from 62 to 92 cents

Study merger's economic effect

The Press-Record was advised Friday by United Steelworkers officials that they have been told of federal government plans to conduct a study of the 1971 merger of National Steel Corporation and Granite City Steel.

Thomas E. Kauper, assistant U.S. attorney general in charge of the antitrust division, has indicated that he decided last week to investigate economic aspects of the merger, including current conditions in the steel industry.

Mineral moved from fourth largest to third largest American steelmaker in acquiring Granite City Steel, whose earnings had slumped due to market conditions and the debt it had made in carrying out past modernizations and expansions.

The current question is whether competition is hampered as a result of the merger, it was indicated.

Hearings on mobile homes

The Madison County Zoning Board of Appeals will conduct two on-site zoning hearings in Quad-City townships tomorrow. The first hearing will be at 9:15 a.m. tomorrow at the site of Virginia Street off State Road 35 at the rear of Barker's Trucking and Excavating Co. on Highway 111, an M-2 general manufacturing district of Nameki Township. Ruby Barker, owner, and Erma Barker, occupant, propose to place a mobile home.

At 9:40 a.m. tomorrow, the board will meet at 3128 Amber St., in the State Park area, an R-4 single family residential district of Nameki Township. The board will hear appeals from Ralph Loken and Barbara Loken, owners, and John Burger, occupant, want to place a 12x52-foot mobile home.

The district's financial problems followed an agreement reducing the assessment of the Dow Chemical Co. property in Madison and Venice, which is leased by Consolidated Aluminum Corp. (Conalco). The assessment for the plant in the Madison district declined \$1 million for the 1974-75 year, reducing the assessed valuation of the school district from \$27,050,121 to \$26,050,121.

The decrease follows a \$1.6 million decline in the assessment for the plant in the previous year. The assessment devaluation agreement was in a four-year plan and continued decreases are to take place for two more years.

The \$1.6 million decrease in assessed valuation for the district, coupled with an inability to raise the tax rates for the educational and building funds, caused those funds to

place \$2.5 million in a special fund for refund to those who paid the tax. Refund requests will be accepted through Dec. 15, after which the actual repayments will begin.

The court appointed American National Bank and Trust Co. of Chicago as trustee for the fund and to distribute the money. A bank official told the Press-Record Friday that those who purchased cigarettes between 1967 and 1969 need not have receipts to prove the purchase.

"At this time there has been no ruling on the method for determining if a person actually paid the tax. Our advice would be to have everyone answer the questions as honestly as he can and he will be in no danger of prosecution," the bank official stated.

per share. In the same period last year, the company earned \$11.7 million, or \$2.38 per share. Sales in the first nine months should be about \$419 million, compared with \$482 million in 1973, Smith said.

Biggest single factor in the expected third quarter loss, Smith said, was a three-week strike by 6,200 employees at the company's Milwaukee automotive frame plant. The first such strike at that plant in the company's 100-year history. In addition, 950 employees at an electric motor plant in Mt. Sterling, Ky., have been on strike since Aug. 12.

Rapidly increasing raw material costs have also been a major factor in reducing profit margins in many areas of the corporation, Smith said. Shortages of some materials also caused the company to use more expensive substitutes in certain cases.

Competitive factors and contractual arrangements don't always allow the company to pass along cost increases immediately, thereby reducing profit margins until price increases can be instituted, it was noted.

Sales in the Automotive Division will be down about 14 per cent in the third quarter, compared with a year ago, and this is caused both by the strike and by lower sales of automobiles which use A. O. Smith frames, Smith said.

With a return toward full production in the Automotive Division and with cost reduction programs beginning to take hold, Smith said, he expects the fourth quarter operations to be profitable.

A. O. Smith, with its subsidiaries, is a widely diversified manufacturer of electric motors, meter systems, auto and truck frames, agricultural feed storage and handling systems, water heater equipment, elevators and other products.

It was announced here during the weekend that outstanding achievement in plant and employee safety has merited A. O. Smith Corporation's Automotive Division top recognition in annual awards competition sponsored by the National Safety Council.

Two Awardees of Honor, the highest recognition given by the National Safety Council, were won by the firm's automotive frame manufacturing plants in Milwaukee and Granite City.

A. O. Smith's overall corporate commitment to safety merited an additional Meritor Award in Division plant in Erie, Pa.

Venice lists \$2.1 million for schools

A 1974-75 Venice school budget revised upward to \$2,065,264, and a new tax levy of \$23.060 below last year's levy of \$29.062, the primary to a loss in the school district's assessed valuation and rate limitations.

The amount of \$853 to be extended for taxes, together with the district's other revenue from state aid and federal title projects will produce an estimated \$1,756,270 total income, resulting in the anticipated deficit of \$298,994 if all expenditures projected by the budget are made.

Most of the shortage is expected in the educational building funds, according to the appropriation measure. The budget projects expenses of \$1,535,548 in the educational fund this year, with maximum anticipated revenue set at \$1,345,351.

In the building fund, expenditures of \$349,159 are budgeted, with total revenue of \$228,627 estimated. Minor deficits also are expected in the bond and interest and the transportation accounts. For bond payments the budget projects \$38,950 against ex-

How to qualify for cigarette tax refund

The amount which will be refunded to each person has not been determined by the court, but indications are that a person who smoked one pack of cigarettes per day for the entire period may receive \$4 or more from the state.

The tax ruled illegal was the sales tax charged in addition to the cigarette use tax. The improperly assessed tax on a package was .00245 of a cent. In effect, taxpayers were paying a tax on a tax, being charged a sales tax on the price of the cigarettes, which already included the cigarette use tax.

The illegal tax was not charged on cigars or pipe or chewing tobacco, so refunds are not allowed for other than cigarette purchases.

Refund claim applications are receivable must be made to the Quad-City area. The applications state, "The claimant must be prepared to prove to the court of administration, the (the Chicago bank) and the court that he paid the tax. False statements in a claim will subject the claimant to penalties."

Applicants for refunds must

give their names, addresses, social security numbers, the number of cigarettes smoked per day for each year that was in effect and the number of cigarettes purchased for gifts or for business entertainment purposes.

"We don't expect anyone to remember exactly how many cigarettes he smoked on any given day in 1967, but we do expect people to fill out the forms as honestly as possible," the bank spokesman said.

He reminded those applying that refunds will not be made until all claims are received and processed, which may be next year.

The amount of refund will depend upon the number of cigarettes smoked during the period and upon the court's determination of a refund formula.

The refund application states, "The amount of the refund may be decreased if the court allows costs of administration, attorneys fees and other related expenses to be deducted from the refund, or if the total fund is not sufficient to pay all claims and the costs and expenses of processing and paying refunds."

MR. AND MRS. GARY W. PILAT whose wedding was solemnized Saturday afternoon at St. Joseph Catholic Church. The bride is the former Miss Connie Jo Edwards, a daughter of Mr. and Mrs. Alvin Edwards, 2258 Benton St.

Connie Edwards becomes Mrs. Gary Walter Pilat

A white filigree arch festooned with greenery framed the altar that was decorated with large fireside baskets of various color late summer blossoms on each side, and a candelabra entwined with greenery holding burning tapers, provided the setting at St. Joseph Roman Catholic Church for the "Saturday afternoon wedding of Miss Connie Jo Edwards and Gary Walter Pilat.

The Rev. Henry Mack performed a double-ring ceremony at 2 o'clock.

Nuptial selections were played prior to the arrival of the bride and groom.

The bride is a daughter of Mr. and Mrs. Alvin Edwards, 2258 Benton St. Parents of the groom, Mr. and Mrs. Walter Pilat, reside at 248 Howard St., Hillside, Ill.

Escorted to the altar and given in marriage by her father, the former Miss Edwards, wore an all-white Chantilly lace gown created with a high-collared neckline and long-fitted sleeves terminating at the wrist with a ruffled trim.

A lace cape worn over the shoulders fell gently to the waistline and the slightly gathered skirt was encircled at the hemline with a double lace border.

She wore a lace caplet to secure her mantilla veil accented with wide border lace, and carried a double cascade of white carnations, baby breath, stephanotis and ivy enhanced with long white and apricot streamers.

Matron of honor Mrs. Marsha Watson was attired in a long dress fashioned with a multi-colored bodice designed with a high-ruffled neckline and long bishop sleeves. The skirt was mint green organza over taffeta bordered with a deep gathered flounce.

Miss Diane Schneider, Miss Tammy Edwards, a sister of the bride, and Mrs. Rosanne Pilat, the groom's sister-in-law, served as bridesmaids.

Their gowns were identical to the groom's sister-in-law, served as bridesmaids.

Each attendant wore headpieces to match their gowns and carried co-ordinated colored lace fans adorned with apricot statice and satin ribbons.

The groom selected his brother, Greg Pilat as his best man. Steve Brown, Walter J. Pilat, another brother, and Richard Vance, the bride's brother-in-law, served as groomsmen.

Guests were registered by Mrs. Carol Funkhouser at a reception given at the American Legion Hall, 1825 State St.

Dinner was served at Regazzi's Restaurant in St. Louis to the bride party and families following the church rehearsal on Friday evening.

For her daughter's wedding, Mrs. Edwards chose a full-length gown designed with a dark brown knit bodice and long brown voile sleeves, accented with white collar and cuffs and a flare skirt of brown and white voile plaid. She wore a corsage of Sweetheart roses.

Green-Carver nuptials in St. Charles, Mo.

St. John United Church of Christ in St. Charles, Mo., was the scene of the wedding on Aug. 31 of Miss Karen Carver and Charles Ray Green Jr.

The Rev. Dr. Don Burkhalter officiated at the double-ring ceremony at 2:30 in the afternoon.

Miss Kathy Beckmann sang, "The Wedding Song" and "Let It Be Me," accompanied at the organ by her sister, Miss Patty Beckmann.

Parents of the bride are Mr. and Mrs. Harold Carver of St. Charles, formerly of Granite City. The groom is a son of Charles Ray Green Sr. of West Alton, Mo.

Escorted to the altar by her father, the bride chose a white sate gown fashioned with a high neckline, long sleeves with ruffled cuffs and a ribbon marking the crescent waistline.

A deep ruffled flounce enhanced with a double-lace ruffle and pleats bordered the hemline.

She wore a mantilla veil held in place with a lace headpiece

and carried a bouquet of pom-pom daisies and baby breath.

Mrs. David Shanks, a sister of the bride, served as matron of honor with Miss Linda Smith, the bride's cousin as bridesmaid.

They appeared in identical dresses of white polyester cotton trimmed in muted green decorative accents. Each held a bouquet of green pom-pom daisies festooned with pastel green streamers.

William Green attended his brother as best man. Fred Griesenauer, David Shanks and Jerry Schuller were groomsmen and ushers.

A reception was held at the Golf View Inn, St. Charles.

Mrs. Carver, mother of the bride, chose a formal-length gown of floral polyester cotton, for her daughter's wedding.

The bride is a senior at St. Charles High School. Her husband is a graduate of Orchard Farm High School and is now an apprentice bricklayer.

MR. AND MRS. CHARLES GREEN JR. They were married in an afternoon ceremony at St. John United Church of Christ, St. Charles, Mo. The bride is the former Miss Karen Carver, a daughter of Mr. and Mrs. Harold Carver, St. Charles, formerly of Granite City.

Rebecca Roodman weds Ronald W. Sheppard

An out-of-town wedding of interest here was that of Miss Rebecca Roodman and Ronald W. Sheppard on Sept. 14 at the Newman Center of Forest Park Community College, St. Louis.

The double-ring ceremony was performed at 2:30 in the evening by Rabbi Bertram Klausner of St. Louis and The Rev. Bernard Nienhaus of the Newman Center.

Guitar selections were played and sung by John Grimaud and William Wolf. They included "Sunrise, Sunset" and "The Wedding Song."

The bride is a daughter of Mr. and Mrs. Harvey Roodman, 3335 Calle Vista, San Diego, Calif., and the late Mrs. Abigail Roodman, who had resided in Olive, Mo. The groom is a son of Mrs. Dorothy Sheppard, 1744 Primrose Ave., and the late Alonzo W. Sheppard.

Given in marriage by her father, the bride chose an Empire-styled gown of ivory crepe trimmed in appliqued flowers of Venice lace.

Her gown was designed with long tapered sleeves and an A-line skirt.

She wore a cathedral-length veil of silk illusion bordered in lace which fell from a cluster of seed pearls and carried a bouquet of Zornia Sweetheart roses, white carnations interspersed with baby breath.

Miss Jane Roodman, a cousin of the bride, served as honor attendant.

She selected an Empire designed gown of rose polyester crepe enhanced with ivory lace, and held a bouquet of red rosebuds and white carnations.

The groom was attended by his cousin, John Skubish of Granite City, as best man. Lawrence Todroff, of Granite City, another cousin of the groom seated the guests.

Immediately following the ceremony a reception was held in the Paladium Room of Cheshire Inn, Clayton, Mo.

A rehearsal dinner was served at Ruggieri's Restaurant, St. Louis, hosted by the groom's mother.

For her sons wedding, Mrs. Sheppard wore an eggshell-colored, floor-length dress of polyester brocade accented with silver embroidery com-

Sweet Adelines hold picnic

The Collinsville Chapter of the Sweet Adelines held a family picnic this week at the home of George and Judith Holtzschner in Collinsville.

George Holtzschner is the director of the chorus, and his wife is the current president.

Co-chairmen for the party were Mrs. Juanita Minardi and Mrs. Louise Blew.

Entertainment was provided by the Accotones, a barbershop quartet composed of men from the Waterloo and Belleville choruses, who won second place in the St. Louis Area Quartet Contest in St. Louis last weekend.

The Sweet Adelines have scheduled their annual show for early November. Women interested in joining the group and participating in the show are urged to attend a rehearsal. Additional information may be obtained from Mrs. Michele Whitworth, membership chairman, 945-5822.

MR. AND MRS. MICHAEL WIWCZAROSKI.
They were married at St. Joseph Roman Catholic Church. The bride is the former Miss Betty Faye Hester, a daughter of Mr. and Mrs. John Hester, 2125 Edison Ave.

Betty Hester married in afternoon ceremony

The wedding of Miss Betty Faye Hester and Michael Joseph Wiczaroski was solemnized at 2 o'clock in the afternoon Sept. 7 at St. Joseph Roman Catholic Church.

Officiating at the double-ring ceremony before an altar decorated with arrangements of white carnations and gladioli was the Rev. Henry Mack.

Parents of the bride are Mr. and Mrs. John Hester, 2125 Edison Ave. The groom is a son of Mr. and Mrs. William Wiczaroski, Rural Route Seven, Edwardsville.

Mrs. Clea Judd presided at the organ and played "We've

Only Just Begun" and The Lord's Prayer. Soloists included Theresa, Diana and Wanda Barringer and Gina McFadden, all of Oklahoma City, Okla.

Mr. Hester escorted his daughter down the white carpeted aisle and gave her in marriage. She was gowned in an organza full-length dress designed with an Empire bodice enhanced with a Chantilly lace yoke, high neckline and long sleeves capped with matching lace.

A band of lace and delicately pleated ruffle edged the A-line skirt and attached chapel train. She wore a Juliette style

headpiece of orange blossoms to hold in place a fingertip veil, and carried a cascade of pale pink carnations, white orchids and baby breath.

Miss Linda Barringer, a cousin of the bride, was her honor attendant. She wore a magenta floor-length princess style, sleeveless gown made with a scoop neckline and complemented with a jacket of hot pink and silver chiffon print.

Bridesmaids Miss Barbara Woolard, Mrs. Leane Leseberg, Mrs. Carolyn Burrus and Mrs. Sharon Nuzzo wore identically-styled dresses in rose pink.

The attendants held three long stem pink roses gathered together with pink ribbons. Flower girls, Cathi Hester, a niece of the bride, and Sandra Nuzzo, were dressed in floor-length pink, sleeveless frocks

with ruffles across the shoulders and flounced skirts. They carried baskets of pink carnations.

Charles Hester, a nephew of the bride, served as ringbearer. The groom chose his brother, Kevin Wiczaroski, as his best man. Groomsman included Greg Pfeiffer, a cousin of the groom, Terry Stacey, Donald Murphy and another brother of the groom, Bill Wiczaroski.

Escorting the guests to their seats was Charles Hester, a brother of the bride and Willard Burrus.

A reception was held at the Quail Club in Belleville.

For her daughter's wedding, Mrs. Hester, selected a long light-green gown with long sheer sleeves. The groom's mother was attired in a blue crepe floor-length dress with a

St. Ann's re-elects officers

St. Ann's Altar Society of St. Joseph Church re-elected the present officers to another two-year term at a meeting last week in the rectory hall. Officers are Mrs. Margaret Minzes, president; Mrs. Mary Pastain, vice-president, and Mrs. Irma Matting, secretary. Final arrangements were

V-neckline and long sleeves.

Both the bride and groom graduated from Illinois School for the Deaf at Jacksonville.

The former Miss Hester is now employed at Basler Electric Co., Highland. Her husband works at Ralston Purina Co., St. Louis.

They will reside on Rural Route Four, Edwardsville.

GRANITE CITY PRESS-RECORD

Mon., Sept. 23, 1974 Page 3

made for six members to attend the diocesan conference of Catholic women held during the weekend in Effingham, Ill. Those attending were Mesdames Minzes, Pastain, Manning, Anna Nokie and Ann Pieper. Mrs. Louise Mank was a conference guest.

Tenative plans were discussed for a trip to the Black Madonna Shrine in Eureka, Mo. on Oct. 26.

Mrs. Minzes thanked all the ladies who quilt each Wednesday and for the \$60 earned for the project.

Refreshments were served by the members from the West Granite area.

Library friends plan book fair

Thousands of new and used books will be on sale Sunday, Sept. 29, when the Friends of Lovejoy Library at Southern Illinois University at Edwardsville hold their first annual book fair in the lobby of the Communications Building.

A one-hour preview beginning at noon will cost viewers \$1. After 1 p.m., admission is free.

At 2 p.m. Sunday, rare items will be auctioned. David Huntley, chairman of the art department at SIUE, will be auctioneer.

Among the items for sale will

be antiquarian books, classic literature, autographed and first editions, original prints by Gregory Page, 100-year-old St. Louis prints, Nazi cartoons, authentic pre-Revolutionary War tavern licenses and several art objects.

Proceeds from the book fair will be used to buy rare books and special materials for Lovejoy Library's collections.

Free parking will be available on Sunday behind each building on the SIUE campus.

A second-day sale will be held Monday, Sept. 30, beginning at 9 a.m.

Choral group to begin rehearsals

The Southern Illinois University at Edwardsville Community Choral Society will begin rehearsals for its sixteenth season Tuesday at 7:30 p.m. in Room 1402 of the Peck classroom building.

Membership is open to any adult who enjoys singing, according to Leonard Van Camp, director of choral activities at SIUE. There will be no auditions.

The group will begin rehearsing immediately for three major performances which include excerpts from Bach's Christmas Oratorio, Dec. 8; Stravinsky's Symphony of Psalms, March 3, 1975; and Vaughn Williams' Donna Nobis Pacem, May 30-31.

Membership dues in the choral society are \$5 per person or \$7.50 per married couple.

Church Women Forum

Quad-City Church Women United will hold its annual Forum at St. Mary's Catholic Church, 10th and Alton streets, Madison, at 7 p.m. on Thursday. Mrs. Leonard Roberts, president of the organization, announced today.

Mrs. John Lee, chairwoman of the 1974 Forum reports the theme will be "Church Women United: Listen and Respond." Objective of the Forum will

be for women to meet to discuss questions and issues which challenge and puzzle church women.

The role of women in today's society, issues of concern such as child development, health services and peace in the world, as well as the role of the volunteer, also will be among issues discussed.

Mrs. Roberts invited women of all faiths in the Quad-Cities to attend.

Beta Eta initiates two

A luncheon meeting of the Beta Eta Chapter of the Delta Kappa Gamma Society was held at the Trailways Restaurant in Fairview Heights last week with President Marilyn Weidner of Edwardsville presiding.

Prior to the business meeting, Mrs. Valerie Stevens, past president of Beta Eta, conducted the initiation of Mrs. Jerryene Lipe and Mrs. Jean Hall, both teachers in the Granite City School District.

The birthday ceremony of Beta Eta was presented by a committee with Mrs. Julia Taake of Troy as chairman.

The Delta Kappa Gamma

"Coat of Arms" was presented by Mrs. Naoma Paul and Misses Mildred McCormick and Mae McCormick, all from Collinsville.

Mrs. Irene Cook, chairman of the scrapbook committee, presented the 1972-74 scrapbook to Mrs. Valerie Stevens.

Members present from the Quad-Cities area were, Mesdames Nancy Barnett, Irene Cook, Margaret Connole, Vivian Dine, Viola Edwards, Georgia Engelke, Nancy Rainer, Virginia Oram, Gladys Pape, Helen Purkayle, Valerie Stevens, Barbara Williams, and Misses Anne Harn, Nelle Hart, and Cleo Ulin.

Newcomers hear Ellis Herring

Ellis Herring, a local florist, was the featured speaker at a meeting Monday evening of the

Afternoon club holds meeting

Mrs. Margaret Richardson, 2245 Pontoon Road, was hostess to the Monday Afternoon Club. Prizes were won by Mesdames Mildred Gray, Celi Kennedy, Marie Perry and the hostess.

Others attending were Mesdames Leona Parente, Vi Edwards, Myrtle Bruns and Kathy Murphy.

The group will meet again Oct. 7 at the home of Mrs. Bruns, 2126 Cleveland Blvd.

Newcomers Club at Tri Mor Bowl.

Following his talk, Mr. Herring awarded a terrarium as the evening prize and presented members with live strawberry begonia plants.

Mrs. Louise Ware, president, was in charge of the business session and led a discussion on plans for a Halloween party Oct. 28.

The group also reviewed two events, an outing on the SS Admiral last month and a family picnic held this week at Wilson Park, attended by 22 persons.

A regular meeting is scheduled at 7:30 p.m. on Oct. 21 at Tri Mor.

You can make her Christmas merry.

You and Dress-A-Doll

Christmas is a special kind of happiness. When you take part in our Dress-A-Doll program you bring a child that special brand of happiness on Christmas morning.

We need your help. Stop by and pick up a free doll, but do it now because our supply of dolls is limited. Sewing skill is secondary; Christmas morning is what's important, and only you can do that.

In the coming weeks design and sew an outfit for it, then return it to us. Your doll will be displayed in our lobby with all the other Dress-A-Doll dolls. Prizes will be awarded. Finally we will see that your doll finds a home on Christmas day.

You make Dress-A-Doll* a happiness thing. Thank you.

Wedding bells to ring for Quad-City area couples

BRIDE-ELECT. Miss Katherine Harrington, who will become the bride of Wayne Birchler on Nov. 29. Their engagement is announced by her parents, Mr. and Mrs. Thomas Harrington, 2454 E. 25th St.

Miss Harrington to marry

The engagement of Miss Katherine Harrington and Wayne Birchler is being announced by the bride-elect's parents, Mr. and Mrs. Thomas Harrington, 2454 E. 25th St. Both young people are graduates of Granite City High School. Miss Harrington is employed at the Graham Paper Co., St.

GRANITE CITY PRESS-RECORD
Mon., Sept. 23, 1974 Page 4

Her fiancé is a son of Mr. and Mrs. Leonard Birchler, 2137 Dawn Place, and works at American Steel Foundries. Plans are being completed by the betrothed couple and their families for a Nov. 29 wedding.

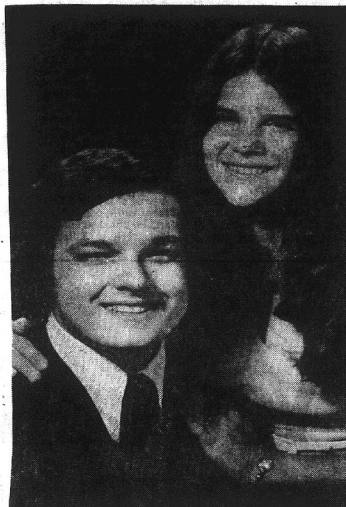

Thebeau-Hudson engagement

The engagement of Miss Debra Jeanne Hudson and Gregory L. Thebeau is being announced by the bride-elect's parents, Mr. and Mrs. Eugene D. Hudson, 2832 Michigan Ave. A graduate of Granite City High School, Miss Hudson is a junior attending Southern Illinois University at Edwardsville, where she is majoring in Business Education. She is now employed as a sales clerk at Hudson Jewelers, Bellemore Village.

The prospective groom is a son of Mr. and Mrs. Casimir Rozycki, 4045 Sara St. He was graduated from Granite City High School, and is a senior student at Southern Illinois University at Edwardsville where he is majoring in Accounting-Business Administration. Thebeau is employed at Farm Fresh Dairy, 2928 Namecki Road. The engaged couple are completing plans for a wedding April 18.

MISS DEBRA JEANNE HUDSON whose engagement to Gregory L. Thebeau is being announced by her parents, Mr. and Mrs. Eugene D. Hudson, 2832 Michigan Ave.

ENGAGED. Miss Kathy Parmley and Allan Ratkewicz whose engagement was announced at a family party hosted by her parents, Alderman and Mrs. Gerald Parmley, 3221 Willow Ave. A June 28 wedding is being planned.

Kathy Parmley is betrothed

Alderman and Mrs. Gerald Parmley, 3221 Willow Ave., entertained guests at a party to honor their daughter, Miss Kathy Parmley, on her birthday and to announce her engagement to Allan Ratkewicz.

A son of Mr. and Mrs. Anthony Ratkewicz, 1608 Fifth St., the prospective groom is now attending Belleville Area College. He graduated from Assumption High School in 1972 and is employed as a salesman at the E. A. Friedman Co., Madison.

Miss Parmley is a 1973 graduate of Granite City High School and works as a deputy assessor in the Granite City Assessor's office. She was named Illinois State DeMolay Sweetheart in 1973-74 and in 1973-74 was selected as sweetheart for the James Stuart Chapter DeMolay, and is recorder for Bethel 43, Order of Job's Daughters. Plans for a June 28 wedding at St. Mary's Roman Catholic Church in Madison were disclosed to approximately 40 guests attending the party.

Margaret Juhasz is engaged

Mr. and Mrs. John Juhasz, 2933 Madison Ave., are announcing the engagement of their daughter, Miss Margaret Anne Juhasz, and Lieutenant Roy Phillips, son of Mr. and Mrs. Roy Phillips Sr., of Ashville, N.C. The bride-elect is a graduate of St. John's Mercy Hospital School of Nursing and at

present is employed in the surgical unit at Memorial Hospital, Colorado Springs, Colo. Lt. Phillips, a graduate of West Point Academy, currently is stationed at Fort Carson, Colo. An early spring wedding is planned by the engaged couple.

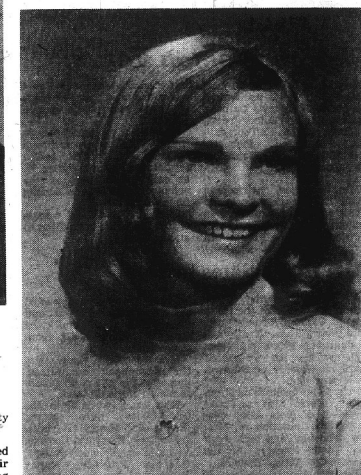

BRIDE-TO-BE. Miss Margaret Anne Juhasz, whose parents, Mr. and Mrs. John Juhasz, 2933 Madison Ave., are announcing her engagement to Lieutenant Roy Phillips. A spring wedding is planned.

Kim Boelling is bride-elect

Plans for an Oct. 12 wedding were disclosed with the engagement announcement of Miss Kim Boelling and Gary E. Bathon by the bride-to-be's parents, Mrs. James Milkoski of Glen Carbon and Forest Boelling, 1616 Sixth St., Madison. The prospective groom is a son of Mr. and Mrs. John Bathon, 720 Washington Ave., Madison. He is a 1971 graduate of Assumption High School and

is employed at Reilly Tar and Chemical Co. Miss Boelling was graduated in 1972 from Venice High School and attended Southern Illinois University at Edwardsville for two years. She currently is working at Famous Barr Co., St. Louis. Plans are being completed by the engaged couple and their families for a wedding to take place at St. Mary's Catholic Church in Madison.

MISS KIM BOELLING whose engagement to Gary E. Bathon is being announced by her parents, Mrs. James Milkoski of Glen Carbon, and Forest Boelling of Madison. An Oct. 12 wedding is planned.

Pottery topic of nurses meet

Ron Ward, a teacher at Coolidge Junior High School and his wife, Beth, presented a program on clay pottery at a meeting last week of the St. Elizabeth Hospital nurses alumni at the Venice Recreation Center.

The guest speakers gave a demonstration and narrative lecture on pottery, and displayed a pottery wheel and articles that had been molded. Sister Marce opened the meeting with prayer followed by a report by Mrs. Georgia Harlow.

Hostesses for the evening were Clara Krause, Evelyn Buenger, Amelia Rapp and Josephine Czevinski. Those attending were guests Nadine Lloyd, Shirley Lybarger and Lovetta Pritchard, and members, Sister Mary Michael, Edna Wallace, Roberta Gerkin, Ruth Schaffner, Maxine Carson, Marjorie Hülker, Sophia Lasky, Bernadine Cooley, Mable Harrison, Bertha Pace, Lois Moore, Grace Pope, Marguerite Fechte, Helen Gages and Alberta Ronney.

Graduate in needlework

Mrs. Helen Daley of Daley's Gift Shop in Madison and her mother, Mrs. Laura Keller, also of Madison, have attended the Elsa Williams School of Needlework, West Townsend, Mass.

The only resident school of needlework in the U.S., it provides an opportunity for professionals, teachers and advanced students, as well as novices, to study needlework. Emphasis is placed on learning correct and new methods, under supervision of the nation's foremost instructors. Elsa Williams, founder, stresses methods and standards intended to convey knowledge and skills in embroidery, canvas work and related needle arts.

Mrs. Daley and Mrs. Keller were awarded certificates of merit at the school and now wear the school's silver thimble emblem.

NAVY ENLISTEE
Joseph D. Breeze, son of Mr. and Mrs. William A. Breeze, 2194 Edison Ave., has enlisted at the Navy Recruiting Station in St. Louis. He is undergoing basic military training at the Recruit Training Center at Great Lakes, Ill. He is a former student of Granite City High School.

WHEN YOU NEED A REALTOR
CALL REINHARDT

MISS LEISA A. JOHNSON whose parents, Mr. and Mrs. Jerome D. Johnson, 2436 Lincoln Ave., are announcing her engagement to Dusty L. Ragsdale. Wedding plans are indefinite.

Ragsdale-Johnson betrothal

Mr. and Mrs. Jerome D. Johnson, 2436 Lincoln Ave., are announcing the engagement of their daughter, Miss Leisa A. Johnson, to Dusty L. Ragsdale. The prospective groom is a son of Mr. Kenneth C. Corzine, Rural Route Two, Granite City, and Herbert L. Ragsdale, Anna, Ill. Both young people were

graduated from Granite City High School.

Miss Johnson also graduated from Joseph's School of Hair Fashion. Her fiancé is working at Granite City Steel and served two years with the U.S. Marine Corps. Wedding plans are indefinite at the present time.

Second workshop

Almost 100 area women participated in the first Continuing Education Workshop for Women held this month at Southern Illinois University at Edwardsville, and to accommodate the overflow of registrants, a second session has been scheduled for Wednesday, Sept. 25.

It will follow the same time schedule and format as the first session. The one-day conference will take place in the Mississippi-Illinois rooms of the University Center from 9 a.m. until 3 p.m. The workshops are planned to

give women in the community a chance to see how other women handle going back to college while raising a family.

Special parking will be provided in the Tower Lake recreation lot. Women who drive to the campus are to follow the signs pointing out parking facilities. The women will be taken by bus from the parking lot to the main campus. Lunch, not included in the \$5 registration fee, may be brought from home or purchased in the dining facilities at the university. There will be space reserved for participants

ENLISTS IN NAVY
Clarence D. Porter, son of Mrs. Tricia A. Porter, 2561 Namecki Drive, has enlisted at the Navy Recruiting Station, St. Louis. He is undergoing basic military training at the Recruit Training Center in Great Lakes, Ill. He is a 1973 graduate of Granite City High School.

In the conference. To assure registration for the event, checks should be sent to: Continuing Education for Women, General Studies Division, Box 44, Southern Illinois University, Edwardsville, Ill. 62025.

Gridiron Steelers display power in 28-0 win over Oilers

Mixing their offense well and displaying a tenacious defense, the fantastic football Steelers of Granite City High School North pleased hometown fans Friday night with a convincing 28-0 triumph over the Wood River Oilers.

Coach Tom Wyrostek's second-year marvels remained undefeated after nearly the first third of their ten-game season. Although playing an independent schedule, they showed their mastery over a conference entry for the third successive week, this time a Mississippi Valley Conference squad after beating two Southwestern Conference eleveners.

Next will be a visit by Roxana here Friday evening.

Touchdowns were recorded in the initial quarter against Wood River by Mike Doneff on a seven-yard run and next by Lenny Wright on a one-yard plunge.

A run and then a kick for after-TD points failed. By the score after the period stood at 14-0 because, sandwiched in between the touchdowns, North chalked up two points on a safety. Wood River was deep in its territory at the time, and the snap from center sailed out of the end zone.

Stars for the Steelers included Wright, who netted 71 yards in rushing during the game; Larry Schleicher, who snared two Oiler passes as the North defense proved impenetrable; and Quarterback Gene Logas, who threw two touchdown passes.

Logas' first TD pass of the game covered 25 yards in the second quarter and was hailed in by Dave Kwiatkowski.

Wright's placement kick to the end zone led to 21-0.

In the fourth period, Greg Corey tossed a 20-yarder to John Scott. Wright again kicked the extra point.

Rolling to 175 yards in running plays and 101 yards through the air while clicking on seven of 11 passes, North amassed 14 first downs.

Wood River was held to 51 yards rushing, 24 yards on four of 10 aerials, and five first-downs.

Each team lost one fumble and the Steelers had a 3-1 edge in interceptions. The Granite Cityans were penalized 65 yards while the Oilers were avoiding penalties entirely.

GRANITE CITY PRESS-RECORD

Mon., Sept. 23, 1974 Page 6

Early in the game, Mark Sprankle suffered an injury as the Steelers tried to keep Wood River in its own territory. The defense succeeded, as Schleicher hauled down an enemy pass and ran it back to the Oiler 41.

Gains by Doneff, Al Sunderlik and Wright contributed to the short and effective TD march.

After the safety, Schleicher returned a kickoff to the Wood River 30. Sunderlik ran for four yards and Logas passed to Wright, who reached the eight-yard-line.

A fumble gave the Oilers the ball at the eight. But on a third-and-seven situation, Schleicher intercepted at the 15 and ran a two-yard-line. Wright's second one-yard gain produced the tally.

In the second quarter, North drove from its own eight and recovered two of its own fumbles while reaching the Oiler 45.

Doneff ran 33 yards but the play was called back on a holding penalty. Logas passed to Schleicher for 22 yards prior to the TD strike to Kwiatkowski.

William Carr intercepted an enemy pass in the third period and ran from his own 30 to the North 45.

A sophomore backfield played for North during the final minutes of the third quarter and throughout the fourth period. A pass interception halted the Steeler drive initiated by Carr, but Wood River punted and North marched from midfield to pave the way for the Corey-to-Scott TD pass.

The Oilers then advanced to the North 21. Scott intercepted but a penalty nullified the play and Wood River moved to the seven-yard-line.

A pass fell incomplete and time ran out, preserving the shutout.

Wood River was held to 51 yards rushing, 24 yards on four of 10 aerials, and five first-downs.

Each team lost one fumble and the Steelers had a 3-1 edge in interceptions. The Granite Cityans were penalized 65 yards while the Oilers were avoiding penalties entirely.

Wood River was held to 51 yards rushing, 24 yards on four of 10 aerials, and five first-downs.

Each team lost one fumble and the Steelers had a 3-1 edge in interceptions. The Granite Cityans were penalized 65 yards while the Oilers were avoiding penalties entirely.

HOW SWEET IT IS while trying to skirt the end of the line when a player finds himself escaping a would-be tackler and about to break free for long yardage, Mike Doneff (22) of North High School is shown powering his way on a rushing play as his team defeated Wood River 28-0 here Friday night.

South matches Lancers except in score, 21-12

Showing steady progress, the GCHS South Warriors never-theless were denied a victory in their first 1974 Southwestern Conference contest, losing 21-12 to the East High School Lancers at Belleville Friday evening.

South more than held its own on both offense and defense and, with almost the same scenario, could have been the victor. But East has been a regular loser to the Granite Cityans and the law of averages finally worked in its favor.

The first quarter proved to be scoreless but the Warriors came close to scoring early, putting together a long, methodical drive that brought the line of scrimmage from the South 20 to the Lancer one-yard-line, aided by Frank Barunica and Paul Muehlhans.

With a first down and goal to go, South tried four running plays but was held out of the end zone, missing blocks at inopportune times.

Quarterback Jeff McCarty took charge and East retaliated with an 85-yard march that eventually gave South a chance to stage its own successful defensive stand. McCarty ran for 21 yards on one play and aerialized 33 yards to John Czacki on another.

The Lancers lost possession on the 15-yard-line but the next time they had the ball they

drove for a touchdown, the first of the three tallied by talented Paulick Richman. His four-yard run for six points was followed by Jim Sobieralski's one-point kick.

Receiving the kickoff after the halftime intermission, East moments later fumbled on its own ten-yard-line, Greg Terrell recovering for the Warriors.

Quarterback Kirk Champion passed to Muehlhans and then threw a five-yard touchdown pass to End Tom Schooley. The kick for the tying point was blocked, leaving East ahead 7-6.

South held the Lancers and then was forced to punt when its own drive bogged down. Bryan Bunjan prepared to kick but the center snap went over his head. He recovered it on the five, but the Warriors were out of downs.

Mauch scored from four yards out and Sobieralski's kick made the score 14-6.

They drove past midfield but East took over on its own 45 and moved in for a TD. Mauch going

over from the one. Sobieralski again kicked the extra point.

Only a minute remained and South was unable to get sufficient momentum for another score.

Warrior Steve Avedisian, a junior guard, pulled a ligament in the fourth period and after the game was taken to St. Elizabeth Hospital for x-rays.

Hartman and Lansaw were among those singled out by their teammates for praise.

An I-pro attack nearly matched East in ground yardage, 148-169, and South led in passes, ten of 13 for 101 yards, to three of seven for 80 East yards.

The Warriors led 13-11 in first downs.

South High will host the Cahokia Comanches at 1:30 p.m. Saturday.

Granite Cityan Rod Bailey, who all season-long trailed St. Louisian John Wolfmeier in the point standings, sped to victory Saturday night at Tri-City Speedway in the 50-lap sportman stock car season championship race to capture the 1974 track title.

Only 85 points separated the two going into the evening's program and Bailey needed to top Wolfmeier in the 130-point feature event to take the crown.

They started the event side-by-side on the front row of the 22-car field lineup. Wolfmeier charged into the lead at the drop of the green flag and dominated the race, with Bailey running second, until lap 31. The lead car's engine blew, yielding first place to the local driver.

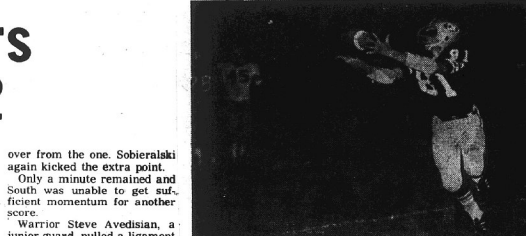

Len Gittermeier, St. Charles, Mo., had already clinched the late model track title two weeks ago and was a favorite to take home the money in the 50-lap season ending race for that division, but accidents will happen.

The newly crowned champion escaped a second-lap accident which eliminated eight of the 25 cars that started the race on the half-mile dirt oval. But Gittermeier was destined to yield to fate 32-laps later.

Gittermeier had led the event from the start until rookie driver Bill Scherer passed him on the 33rd lap. Scherer, with

TIMELY BLOCK by Larry Schleicher (26) of North High School as teammate William Carr (25), a 170-pound senior running back, carries the football against the Wood River Oilers here Friday evening.

STEELER PASS RECEPTION by David Kwiatkowski (81), a 170-pound junior end. Quarterback Gene Logas connected on seven passes during the game, won by North 28-0 over Wood River.

Title to Bailey

Gittermeier on his bumper, attempted to get around the race car of Billy Collins one lap later and both smashed into the fourth corner railing, with Gittermeier and five of the frontrunners plowing into the wreckage.

Fortunately, no one was injured. But from out of the tangle emerged a new leader, C. C. Corbin of East Alton. He went on to post his first win of the season at the local speedway.

Corbin had started the evening by setting the fastest qualifying time, 26.47 seconds, for a sixth consecutive week. He then finished second behind Gittermeier in the first heat race and was third in the handicap event.

Other race victors were: Late Model — Bob Buchanan and Mike Fogelbach, heat races; Harold Workman semi-event; and Gittermeier the handicap race. Sportman — Kris Krohn and Gary Wallace, heat races.

Saturday's program ended Tri-City Speedway's regular weekly racing, but a special "super-sprint spectacular" has been scheduled for Saturday, Oct. 5.

North blanks soccer foes

The soccer Steelers of Granite City North posted their fifth and sixth shutouts of the new season this weekend with a 1-0 win over Assumption Friday and a 2-0 decision Saturday over Quincy, both games at Steeler Field.

Junior Perry Hartwick was instrumental in both victories, providing the winning shot against Assumption on an assist by junior Jim Louis 35 minutes into the first half of play.

On Saturday, he scored after 13 minutes in the first period on a pass from senior Dave Hatcher.

Dave Roberson scored the second goal against Quincy 14 minutes into the final period on an assist by Hartwick, who had

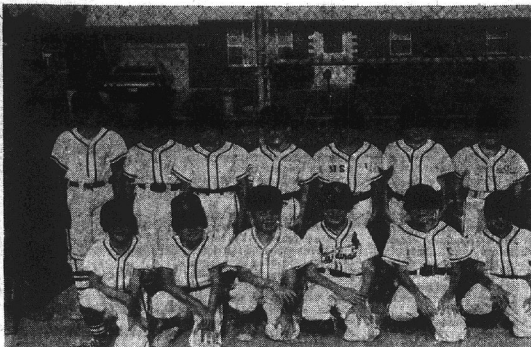

moved the ball downfield and then passed to Roberson at centerfield. Roberson turned and put the ball into the corner of the net.

Steeler Goals Rick Demaree was credited with saving three Assumption scoring attacks.

Against Quincy, North had nine shots on goal, eight corner kicks and 13 fouls. The visitors shot twice at the home goal, had one cornerkick and committed 12 fouls.

North outshot Assumption 18-6 and had the least fouls, 7-10. Each team had four cornerkicks.

"Before the games," said North mentor Bob Kehoe, "I told the boys, 'Let's get the job done in regulation time. I can't afford more gray hairs.'"

HONORED AT MITCHELL. Mitchell Athletic Club Atom Division champion players of the Cardinals, who had a 9-4 season record. They were presented trophies during the Mitchell Fall Festival after the team defeated the Tigers 11-5 to break a first-place tie. Winning pitcher was Sammy Tate, who also was honored for having the most home runs, seven, during the season. In the front row, from left, are Todd Thomason, Ken Rapp, Ricky Jones, Sammy Tate, Mark Dowdy and David Noel. Standing, from left, are Manager Ed Tate, Brad Hart, Terry McGauley, Colin Davis, Tad Gorrell, Mike Sutton, Peter Gibson and Stacy Thomason.

PARK LEAGUE WINNER. The Mercer boys' baseball team posted a 12-0 season record in the Granite City Park District's Mike Shannon League. The squad also earned a second-place finish in a park district invitational tourney. Kneeling, from left, are Jay Borchers, Mark Hessler, John Vrenick, Kenny Myracle, Bobby Slate and Walter Towery. Standing, from left, are Coaches Art Borchers and Norm Hessler, Andy Hinterser, Scott Poisson, Mike Robertson, Blake Ambuehl, Mike Tanksley and Manager Jake Hinterser Jr.

BANTAM DIVISION CHAMPS. State Radio Bulldog players slugged their way to a 1974 title with a 12-0 record and a division playoff championship in the Granite City Park District baseball program. Members of the team, front row, from left, are Doug Jones, Eric McIlroy, Andy Batson, Jim Petty, Keith Shable, Rich Duke and Ed Papp. Standing, from left, in second row, are Chris Hinterser, John Linhart, Joe Schmeke, Tom Miller and Tim Meehan. Standing behind the players are Coaches Jim Batson (left) and Carl Petty.

Soccer Warrior rally defeats St. Paul, 3-1

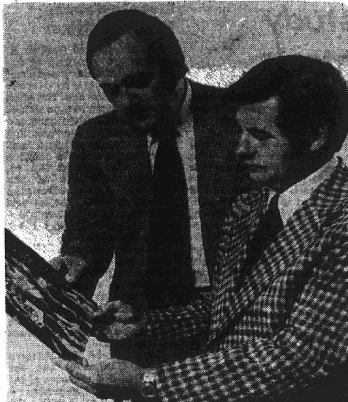

South High School soccer players bided their time Thursday against St. Paul of Highland before staging a three-goal flurry in the fourth quarter to win, 3-1.

Goalie Ken Kibort limited the Highlanders to a goal late in the first quarter. But his team remained scoreless until

Charles Bennington began to set up scoring plays in the final period. With the Warriors having succeeded in wearing down the St. Paul squad a trifle, Bennington was able to garner three assists as Dave Sheridan, Rick Fernandez and Teno Valencia propelled shots into the goal.

Skilled Althoff golf team wins

Granite City North was decisive 145-165 Thursday by host Belleville Althoff at the nine-hole, par 35, Westhaven course in Belleville. "Althoff is one of the best teams we have ever played," remarked Steeler mentor Harry Lane. "Two players shot an even par and, as a team, they scored only five over par." Scoring for North were Tim Behrens 36, Brian Winfield 42, Dave Dodson 43 and Bob Behrens 44.

NEW ASSISTANT COACH of basketball Cougars is Randall L. Everly (right). With him is Jim Dudley, SIUE varsity cage coach.

Everly joins Cougar staff

Randall L. "Randy" Everly has been named assistant varsity basketball coach at Southern Illinois University at Edwardsville. Bob Gueiker, SIUE athletic director, and Jim Dudley, head basketball coach, announced the appointment Friday. Dudley, who has directed the Cougar cagers to three winning seasons in the four years he has been here, said, "I like his approach to the game and, in addition, he knows how to win." In eight years of coaching, Everly's teams have won 171 and lost 69. Everly replaces Eldon Bigham, who has taken a position in SIUE's recreation program, including direction of the school's summer activities at Tower Lake. In addition to serving as the Cougars' assistant coach, Everly will coach the junior varsity and will serve as an instructor in the university's physical education department. A native of Drakeville, Ky., he comes to SIUE after two years as head coach at Broward Community College, Fort Lauderdale, Fla., where the record was 38-20. Everly earned a bachelor of science degree from Western Kentucky, U. at Bowling Green and a master of arts degree, also from Western Kentucky. He is married and has four children.

Another overtime win by North soccer team

"Two in a row is really tough," commented GCHS North soccer mentor Bob Kohoe near the goal and then passed to Sedej at centerfield just outside the penalty area for the score. Goalie Rick Demaree was credited with blanking Collinsville. Perry Hartwick and Dave Hatcher worked the ball down the right sideline to the corner near the goal and then passed to Sedej at centerfield just outside the penalty area for the score. Goalie Rick Demaree was credited with blanking Collinsville. North had edged GCHS South 2-1 two days earlier. North had the edge on the Kohoes throughout the contest, leading 14-5 in shots on goal, including three off enemy penalties. The Stealers had a 7-5 advantage on corner kicks. Each team committed 15 fouls. North scored against the visitors four minutes into the second overtime period with a shot into the upper left corner of the net off the foot of Dan Sedej.

WOMEN'S SOFTBALL MEET CHAMPIONS. Petrillo Produce team members are, front row, left to right, Diane Daugherty, Pam Brokaw, Becky Brokaw, Marsha Diak, Robin Hayden and Christy Heskitt. Back row, Coach Don Deterding, Pat Dochwat, Robin Deterding, Cindy Perkins, Renee Schmidt, Cindy Worthen, Carol Markarevich, Kathy Cross and Manager Mary Brokaw.

ST. MARGARET MARY Senior Bantam soccer team, champion of the annual Cahokia invitational soccer tournament. Front row, kneeling, left to right: Jim Brewer, Chuck Wood, Ken Isaak, John Wiggles, Pat Theis, Robert Gerber, Brad Bischof and John Shearlock. Back row, players John Votoupal, Pat Boyer, Vigne Sligte, Ricky Hoelter, Jay Verdu, Ricky Buer, Mike Zarlingo, John Mink and Mike Zikovich. Absent was Mike Niemeyer. The team is coached by Frank Verdu and managed by Al Zarlingo. Members of the YMCA Soccer Association, they captured first place at Cahokia with three shutout victories—3-0 over Carondelet Sunday Morning Athletic Club, 9-0 over the Children and Parents Athletic Association of St. Louis and 9-0 in the championship game over Herr Funeral Home of Collinsville. The team also received the tournament's good sportsmanship award.

Penalties hamper South grid frosh

Penalties resulting in callbacks of three apparent touchdowns, including a 45-yard fumble recovery return by GCHS South's Larry Huston, helped Alton North Junior High School gain a 16-6 victory over the Warrior frosh squad Thursday. South's lone TD came on a three-yard dash into the end zone by Tony Elliott following a 65-yard sustained drive engineered by Quarterback Mike Forshee.

New speed record at North harrier course

Edwardsville harrier Greg Maag traversed the new GCHS North 2.5-mile cross-country course in 15 minutes and 27 seconds Thursday to set a new course record and lead the Tigers to a 15-45 victory over the host Stealers. The previous record of 16:17 was set at the beginning of the season by Granite City South's Dwayne Terry. North's Mike Baker finished sixth in 16:32; Robin Tegel placed eighth, 17:20; Dave Futch ninth, 17:21; Don Lucy 10th 17:39; and Dave Peters 12th, 18:10.

Edwardsville's jayvee team beat the Stealers 22-33. For North, Mike Becherer placed third, 18:20; John Gilly fifth, 18:36; Steve Crab seventh, 19:10; Neil Pierson eighth, 19:14; and Rich Morlen 10th 20:11. The Steeler frosh team gave North its only win, downing the visitors 20-34 on a one-and-a-half-mile course. Greg Stout finished first in 8:26; John Bracamonte third,

8:26; Joe Smith fourth, 8:44; Ed Futch fifth, 8:51; and Dan Buehrer seventh, 9:02.

National Bank in Madison

please excuse the inconvenience

During construction of our new, expanded drive-in banking facility, we've moved a few things around... including how to enter our drive-in. While construction is under way, the drive-in entrance can be entered only by making a right turn from 6th Street going west. To eliminate any traffic complications, no parking will be permitted on the north side of 6th Street from the drive-in entrance to Washington Avenue during banking hours.

FIRST NATIONAL IN MADISON... where things are happening!

We're adding 4 LeFebure pneumatic tube drive-in units and have acquired additional land on Madison for more than 50 customer parking spaces. One of these drive-in units will be exclusively for commercial accounts. This is our 40th anniversary, and our expansion is one way to show you our sincere interest in the community and the Quad-Cities area. Again, PLEASE EXCUSE THE INCONVENIENCE while construction is in progress... it should be completed late this fall. It's all part of our plan to make banking at the First in Madison easier... almost fun!

We're getting bigger... to serve you better

Complete banking services under one roof... everything from savings programs to travelers checks is all here for your convenience. You'll like banking with us... our people make the difference at the First in Madison.

Hope for override on study of cost of pollution controls

A statewide campaign urging the legislature to override Governor Dan Walker's veto of a bill requiring study of the economic impact of pollution control regulations has been launched by the Illinois State Chamber of Commerce.

"The veto of S. 588 disregards the interests of business men and women, farmers, taxpayers, working people and local governments throughout Illinois," Lester W. Brann Jr., president of the 19,000-member statewide business organization, said. The bill received bipartisan support of agricultural, labor, business and municipal organizations throughout the state, he added.

"It's a slap in the face to both houses of the legislature, which overwhelmingly passed the bill," Brann charged. "He's playing politics with pollution."

S. 588, sponsored by Sen. A. C. "Junior" Bartulis (R-Bend) and Rep. Tom McMaster (R-Onondaga), would require the State Institute of Environmental Quality to study the economic impact of present and proposed environmental regulations in Illinois.

"Effects of proposed regulations on employment, dislocations and shutdowns of industry, profitability, prices and economic development would be examined," Brann said.

"The fuel crisis might have been minimized had environmental legislation been studied for its effect on the state's economy. The new law would provide for sufficient examination of regulations to

insure that their economic costs are not out of proportion to the environmental benefits involved."

S. 588 passed the Senate 54-0 and the House 118-35. The constitutional requirement for override is three-fifths of the membership (38 votes in the Senate and 107 in the House).

"The override is a clear-cut campaign issue for state legislators this fall," Brann said. "Everyone should urge candidates to state in advance their position on this bill during the fall veto review session beginning Nov. 7."

"In his veto message, the governor claims the Pollution Control Board now routinely studies the economic impact of its regulations. Fact is, the board does not engage in comprehensive studies of the type proposed by S. 588."

"We aren't aware of any so-called routine studies other than a mere recognition of economic reasonableness in regulations when issued, based on a review of the incomplete hearing records."

"The governor claims review of existing regulations would serve no useful function. But it would, because extensive economic impact information was never gathered nor studied when these rules were adopted. But the taxpayers are as affected as anyone else because of possible adverse effects on our economic growth. The taxpayers are already paying, and they have a right to know the economic costs."

"Further," the governor claims the bill emphasized dollar costs, not health, which he calls a "violation of the spirit if not the letter of the Constitution and the Environmental Protection Act."

"Fact is, this bill tries to achieve a balance between everyone's desire to achieve a clean and healthful environment while, at the same time, not harming our state's economic growth."

Lincoln debate Oct. 6 in Alton

Abe Lincoln and Stephen A. Douglas are returning to the Illinois cities which heard them debate during their race for the Senate 116 years ago. The Alton visit is set for 1:30 p.m. Oct. 6.

The two historical figures are played by actors, of course. And the debates, which began Aug. 28 in Ottawa and will continue each Sunday through Oct. 13, are re-enactments of the famous Lincoln-Douglas debates of 1858. Douglas won the Senate race but two years later lost the Presidency to his fellow Illinoisan.

"It is a dramatic and exciting way to relive Illinois history," in the view of Michael Linderman, director of the Tourism Division, Illinois Department of Business and Economic Development. The department is helping promote the seven debates.

Co-sponsored by Eastern Illinois University and the Chambers of Commerce of the seven cities, the 40-minute re-enactments are largely the work of Dr. Ralph Y. McGinnis of the EIU Speech and Communication Department.

Playing Lincoln in each city is professional actor and Lincoln specialist Richard Blake. In addition to the debates, some of the cities have planned parades, seminars and political rallies, marching bands and oyster barbecues.

The schedule includes Galesburg, Sept. 22; Freeport, Sept. 29; Alton, Oct. 6; and Jonesboro, Oct. 13.

Formers study price issues

Sixty members of the National Farmers Organization in Madison and St. Clair counties attended a meeting with government officials in Des Moines, Ia., during the weekend.

Main topic of the meeting was a discussion on price reductions on farm products. Another meeting on the subject was held in Chicago.

Copies of the meeting proceedings and its findings are available by calling Erwin Wein at 288-7206 or George E. Crocker at 656-0658.

Group reports severe Illinois energy shortage

The Illinois Manufacturers' Association contends that fuel and other energy-related shortages have hurt hundreds of Illinois firms and caused layoffs, production cutbacks and short shifts affecting tens of thousands of Illinois employees in the past two years.

The figures, based on IMA surveys of its 5,500 industrial members, were contained in a statement submitted to the Federal Energy Administration's "Priority Independence" hearings in Chicago.

The IMA also reported that over 650 Illinois firms have instituted energy conservation programs, with energy savings of 10 per cent-15 per cent already achieved by some manufacturers, allowing more energy supplies to be available to consumers.

The statement sought to show how faulty government policies had helped create the energy shortage.

Coal: Increasingly stringent environmental limitations on the mining and burning of coal.

Gas: Unusually low prices for natural gas, set by the U.S. government, have limited development of new supplies.

Oil: Government restrictions on pipelines, supertanker docking facilities, offshore drilling and refinery construction have hampered domestic oil capabilities.

The IMA challenged a current belief that sulfur dioxide in the U.S. is a serious health problem, citing studies in England and the U.S.: "A recent study of one million deaths in New York City indicates that SO2 is not a cause of air pollution-related deaths."

To provide some relief for energy shortages currently wracking the economy and adding to double-digit inflation,

the IMA recommended that the governor of Illinois, the federal energy administrator and others in responsible positions petition Congress.

The request is to change the U.S. Clean Air Act to allow plants to burn coal and high sulfur oil, when lacking alternative fuels and when using proper gas cleaning systems, until 1980.

Newspapers cited as valuable teaching aids

Using newspapers in school classrooms increases student achievement, enriches the curriculum and reduces discipline problems, a Pennsylvania study says, according to Granite City's Alfred J. Wilson.

The Emerson elementary school principal subscribes to 335 newspapers for his 335 pupils.

"I dare you to be different," he told 200 graduate students, educators and school administrators in a presentation at Shippensburg (Pa.) State College in conjunction with a Newspaper in the Classroom (NIC) graduate course.

Why Wilson uses newspapers as primary teaching tools and supplements them with textbooks is explained in a "six-point rationale."

Some "culturally deprived" pupils from the industrialized city of 41,000 achieved 6 or 4 1/2 months extra growth during the first year he said. The "lowest" pupil achieved a normal "one year's growth."

As an example of newspapers enriching curriculum, Wilson cited a teacher who consulted a civics textbook when teaching "the future." The teacher found only one article on impeachment.

"Just count all the articles on Watergate and impeachment that have appeared in the newspapers," Wilson commented.

Wilson said a study conducted in Memphis, Tenn., indicates newspapers were used on Tuesdays and Thursdays, a Memphis school calculated better attendance records on those two days.

"Retention of material over the summer was improved because pupils acquired information in a relevant, meaningful context that continued beyond the school year," Wilson said of his list through 6th grade pupils.

Many Emerson pupils continue reading newspapers during summer vacations and "this reduces vacation-time loss of learning," it was asserted.

Emerson teachers "sit down with a cup of coffee and a newspaper in the morning and start crossing-out, X-ing and underlining," Wilson explained. "They look for examples, lists and concepts they want to teach that day using the newspaper."

After identifying four to six activities to use with their pupils—all derived from a daily newspaper—their school day is made, Wilson commented. "It isn't any big deal," he said, "because you become extremely familiar with newspaper content."

Wilson pointed to one teacher's comment concerning

use of the newspaper in the classroom: "Just make ordinary lesson plans and the student will glorify them."

Wilson doesn't advocate exclusive use of newspapers as primary teaching tools.

"The newspaper is your up-to-date reinforcement for a textbook," he maintained.

At Emerson elementary, teachers refer to textbooks only about one-fourth of the time.

The newspaper is the closest thing we have to an educational panacea in the hands of the proper teacher," Wilson noted.

He was one of three NIC specialists sharing ideas with elementary and secondary graduate students at the Shippensburg State College NIC course.

Previously, Judith D. Hines, staff consultant for educational services at the American Newspaper Publishers Association headquarters, discussed up-to-date NIC ideas implemented throughout the U.S.

"We want to help your students become well-informed citizens able to understand our nation and its problems, past, present and the future," Wichita Eagle and Beacon educational coordinator Nancy Sparks told teachers enrolled in the course.

Using old newspaper issues and current copies of the Harrisburg (Pa.) Patriot, Mrs. Sparks discussed the conditions of life in America a century ago, problems facing the nation today, and the importance of studying newspapers as guides to some of the problems facing young citizens who are in classrooms now.

Mrs. Sparks, who advises teachers using newspapers as teaching tools in Kansas schools, stressed comparative studies of newspapers.

She said newspapers used in comparative studies bring to pupils a reading for developing critical thinking and evaluation.

To Mrs. Sparks, newspapers "are cultural artifacts."

She stressed the need for study of newspapers as remedial reading tools. "A federal report," Mrs. Sparks said, "estimates 15 million Americans cannot read or write."

"In every test case I've seen, those pupils exposed to newspapers gained one full percent level higher than those not exposed," she noted.

Mrs. Sparks identified three major goals of the nationwide NIC program—to explain freedom of the press; to offer teachers and students alternative teaching strategies; and to develop in students the regular habit of reading newspapers.

LT. MICHAEL JONES

Michael Jones commissioned

Michael A. Jones was commissioned a second lieutenant in the Army upon the completion of six weeks ROTC Advanced Training at Fort Riley, Kan.

The son of Mr. and Mrs. Thurl C. Jones, 1600 Garfield Ave., he received his classroom work at the University of Illinois. He recently completed training not only provided an opportunity to practice what he learned on campus, but gave him field training in the skills required to serve as an officer in the modern Army.

Fellowships are offered

Nominations for Danforth fellowships for college teaching careers are being accepted by the Graduate School of Southern Illinois University at Edwardsville.

Roy P. Peterson, assistant dean, said the purpose of the program is to give personal encouragement and financial support to selected college seniors and recent graduates who seek to become college teachers.

The award is for one year and is normally renewable until completion of the advanced degree or for a maximum total of four years of graduate study. Fellowship stipends are based on individual need but may not exceed \$2,025 a year for a single person or \$2,390 for a married student, plus dependency allowances for children and required tuition and fees.

Those interested may contact Peterson at the SIUE Graduate School before Oct. 15.

Elected master councilor

David M. Epping, son of Mr. and Mrs. Robert F. Epping, 1620 Lindell Blvd., was elected master councilor of James Stuart Chapter, Order of DeMolay, at the Masonic temple during the chapter's regular meeting last week. He succeeds J. Mark Swigert.

A senior at Granite City High School South, he is a member of the Modern Music Masters, the Band Letterman's Club, the Granite City South Stage Band and as a member of the South High School Band also serves as its president.

A member of St. John's United Church of Christ, he is past-president of the St. John's Youth Fellowship. Dave is a Representative DeMolay and has been active in chapter and area DeMolay activities.

Other officers elected were: Anthony Tsigaloroff, senior councilor; Karl W. Ebrecht, junior councilor; Stanley C. Myers, chaplain, and James Scott Boyd, treasurer.

Elected and appointed of-

ficers will be installed in a public ceremony on Tuesday, Oct. 15 at the Masonic Temple.

During the business meeting conducted by Swigert, the Chapter's participation in the Shrine parade and circus performances was discussed. Bill Cochran, manager of the chapter's flag football teams, announced that the chapter will represent District 16 in a Bi-District Tourney scheduled Sunday afternoon, Sept. 29, at Whitehall.

On Tuesday, Sept. 24, the chapter will be represented at Job's Daughters night honoring those organizations meeting in the Masonic temple, and at the District is meeting hosted by Edwardville DeMolay at the Edwardville Masonic temple.

DeMolays will leave from Rose Drug store, Belmore Village at 7:30 p.m. Tuesday for the Edwardville District

Robert Hocking, president, and Max Merz, treasurer, of the Granite City Masonic Temple Association, were special guests. They spoke on the completed \$50,000 portion of the temple renovation program and again thanked DeMolays for the \$800 contribution given to the program from the proceeds of their popcorn sale.

The next meeting of the chapter will be October 1.

Wilson PTA has first meet

Faculty members and committee chairmen were introduced at a meeting of Wilson School PTA conducted by Mrs. Harriet Evans, president.

Girl Scouts and Brownie troop members, sponsored by the PTA unit, opened the meeting with the flag ceremony.

Ted Vrenick, principal, presented the teachers and Mrs. Evans introduced the chairmen.

Those who will serve during the school year are Barbara McCasky, room mothers; Linda McGee and Phyllis Goskie, ways and means; Luan Briner, Virginia Rainwater and Wanda Ogden, kitchen; Fred Stille, membership; Audrey Laird and Jerry Besserman, calendar; Virginia Rainwater, historian, and Evelyn Elmore and Linda Buhr, prize purchase committee.

The president announced open house will be observed on Oct. 15 and a bake sale also will be held on that evening.

A new project discussed by the members was the purchase of a new minigraph for use at the school.

It was announced that Mrs. Dorothy Baker, PTA treasurer, was elected to the office of treasurer of the Area Parent Teacher Council.

Refreshments were served by the executive board.

PARKED AUTO LOOTED
Tools, a spare tire and four hubcaps, all worth \$2,600, were stolen from the auto of Sandy Clark, 1349 Edwardville Road, at Tony's Restaurant and Lounge, 3300 Namecki Road, it was reported last week. The auto trunk was pried open.

Cong. Price to be honored

Representative Melvin Price, second-ranking member of the House Armed Services Committee, has been selected to receive the "Minute Man Hall of Fame" Award from the Reserve Officers Association of the United States at its 33rd Anniversary Banquet. The banquet, to be held Oct. 25-26 at the Palmer House in Chicago, will highlight the association's fall workshop meetings for reservists of Army, Navy, Air Force, Marines and Coast Guard.

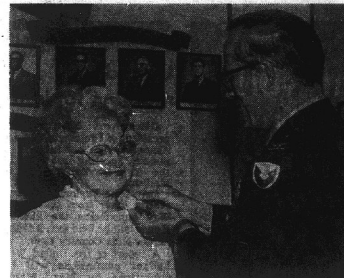

This rarely bestowed award has gone to such outstanding citizens as Gen. William C. Westmoreland, General Omar Bradley, General Lewis B. Hershey, The Honorable John Szelek of Chicago, and the late John F. Kennedy.

Cong. Price, a native of St. Louis, first was elected to Congress in 1945 and has been returned for each successive term by the people of the District. Educated in East St. Louis parochial schools, St. Louis University High School

and St. Louis University, the congressman was a newspaper correspondent, a member of the St. Clair County Board of Supervisors and secretary to former Congressman Edwin M. Schaefer prior to his election to the House of Representatives.

Brig. Gen. Ted W. Sorensen, national president, ROA, of LaGrange, Ill., will be the master of ceremonies at the banquet where Rep. Price will speak. Among honored guests and speakers at this meeting will be the chiefs of reserves of the various services, including Maj. Gen. J. Milnor Roberts Jr., Army; Maj. Gen. Homer I. "Pete" Lewis, Air Force; VADM Pierre Charbonnet Jr., Navy; Maj. Gen. Michael Ryan, Marines; and RADM Julien Johnson, Coast Guard.

The conferences are expected to attract up to 1,000 officers from throughout the United States to discuss matters of particular concern to leaders of the nation's military Reserve programs.

ANNELLEN SMITH, 2810 Yale Drive, receives a pin commemorating 30 years Federal service from Col. John D. Smith, commander of the Automated Logistics Management Systems Agency (ALMSA), St. Louis. ALMSA presently is designing a new standard ADP system to be used throughout the worldwide Army Materiel Command which will allow all installation computers to converse with each other in a common language.

Rites held for Mrs. Buckles, 44

Funeral services were held at 10 a.m. Friday at an Edwardville funeral home for Mrs. Louise Buckles, 44, of Minot, N.D., formerly of Edwardville and a sister of Mrs. Rely (Edna) Lovell of Granite City. Mrs. Buckles died Tuesday at her home of an apparent heart attack.

She also leaves her husband and stepmother, a son, two brothers and four other sisters.

Night classes start Thursday

Enrollments for tuition-free courses at the Venice Lincoln Technical Center in Venice now are being accepted, according to Director K. Duane Rankin.

Persons interested in data processing, typing or preparation for the General Educational Development examinations may call the school at 876-7792 for further information. Registration also will be accepted at the first session on Thursday, Sept. 26, at 6:30 p.m.

Classes will meet one night a week on Thursdays from 6:30 to 9:30. Included in the GED preparation will be instruction in mathematics, language, social studies, science, and preparation for the constitution test which is given at the center. Personal typing skills courses for beginners and intermediates will be offered. Basic data processing also will be available. Students should have basic typing skills to advance satisfactorily in data processing.

United Way meeting topic

Clarence Baumeier, president of Protestant Welfare Association, conducted a monthly meeting last week at the Trinity Tabernacle in Madison.

Mrs. Irma Taylor, secretary, read a letter from the United Way announcing the kick-off dinner will be held Oct. 2 at the Sunset Hills Country Club.

A report of the United Way budget committee will be submitted by Mrs. Marie Whittle at the Oct. 15 meeting to take place at Hope Lutheran Church.

Other reports given were by Roy Lynn, treasurer, Mrs. Whittle, office secretary, and Bryan Waggoner, buildings and grounds.

The executive committee announced plans to have the Welfare building painted.

Mrs. Whittle said there were relief orders granted during August at a cost of \$489, involving 44 cases and 169 persons. An additional 14 orders of clothing and shoes costing an estimated \$146 were supplied from the Store Room.

A review of the annual banquet, attended by 134 persons, was also discussed.

Downtrend in highway construction projects

By MARY LOU MANNING
 Press-Record
 Springfield Bureau

In Illinois, 1971 was an extremely good year for highway construction and right-of-way work. Expenditures totaled \$507.6 million for all work financed directly through the state Department of Transportation.

Totals for 1970 were \$386.6 million, while 1972 amounted to \$392.1 million and 1973 figures were \$391.1 million, according to the DOT. The figures include work done in all nine transportation districts.

In explaining the reason for the large jump in 1971 figures, Glenn Younk of the construction section of the division of highways said, "Many factors affect highway construction, the two biggest being weather and labor."

For example, a bad spring, weatherwise, followed by a labor strike, followed by more bad weather could result in a bad year, constructionwise.

Construction work includes anything for which payment is made to a contractor for highway projects. This category includes bridges, safety features, grade and land separations, resurfacing, patching and payments to railroads and public facilities for adjusting their facilities.

Too, construction expenditures include federal aid in matching funds paid to Cook County and the city of Chicago which flows through the DOT.

Expenditures for rights-of-way cover land acquisition for

new highways or for changes in existing roads.

"These expenditures are for state roads and do not include work done to township, city roads, etc.," he said.

Broken down by districts, expenditures for construction and right-of-way for 1970, 1971, 1972 and 1973, respectively, look like this: (in millions)

District 1 (offices in Elgin and Chicago)—\$133.6, \$149.8, \$88.3 and \$86.1 for a total of \$458.3

District 2 (Dixon)—\$30.8, \$37.9, \$44.2 and \$37.7 for a total of \$150.6

District 3 (Ottawa)—\$30.6, \$37.2, \$17.0 and \$26.2 for a total of \$111.0

District 4 (Peoria)—\$27.3, \$33.0, \$22.4 and \$16.8 for a total of \$99.5

District 5 (Paris)—\$42.1, \$41.1, \$25.6 and \$30.4 for a total of \$139.2

District 6 (Springfield)—\$24.6, \$33.8, \$37.7 and \$47.0 for a total of \$143.1

District 7 (Effingham)—\$42.6, \$43.5, \$39.0 and \$26.3 for a total of \$151.4

District 8 (East St. Louis, including Madison County)—\$32.3, \$77.6, \$60.4 and \$52.9 for a total of \$223.2

District 9 (Carbondale)—\$22.7, \$50.7, \$37.0 and \$25.7 for a total of \$135.1

Variations between the districts are related to the amount of interstate highway completed within each one, according to the official. The season this year will run through April 11.

A man with a background and experience in competitive swimming has taken on the responsibilities of coaching and building the team.

Herb Reisinger will be the coach. Reisinger, president of the Gateway Swim Association for four years, swim chairman of the Grank AAU for two years, a member of the Regional AAU Swim committee for two years, and a member of the National AAU Swim Committee for two years.

Reisinger resides in Granite City at 2532 Delmar Ave. with his wife, Shirley, and four daughters: Geri Lynn, Debbie, Karen, and Judy. All four girls are swimmers. Geri and Debbie will be assisting their father with the team.

Judy will be swimming on the team. Karen is in Kansas City swimming for the Kansas City Jets Swim Club in preparation for the 1976 Olympics.

To be eligible for the team, a child must be able to swim two lengths of the pool and be a Y member. Coach Reisinger said, "I am going to try to build a good age group program instilling in the children a desire to swim competitively."

Fees for the swim team will be \$6 a month for the first child for the season and \$5 a month for each additional child in a family. More information may be obtained at 876-7200, or at the Y at 2001 Edison Ave.

HEAVY SMOKE AND INTENSE HEAT, but only minor damage, was caused when this trailer unit, filled with an asphalt primer, caught fire behind the Phillips 66 Service Station, 4086 Pontoon Road, Pontoon Beach, at 10 a.m. Thursday. From left to right are: Fire Chief C. Arnold Rutherford, John Guffey, owner of the station, and Officer Chester Ballew. At far right is Glen Masters who is doing the asphaltting and Jack Mitchell (partially hidden) an employee of the service station.

Establishing swim team

Testimony favors treatment plant training center in area

The Tri-City Area YMCA is organizing a swim team, according to Mike Sharp, program director.

The swim team for children ages 6 and up had its first practice session last week. The season this year will run through April 11.

A man with a background and experience in competitive swimming has taken on the responsibilities of coaching and building the team.

Herb Reisinger will be the coach. Reisinger, president of the Gateway Swim Association for four years, swim chairman of the Grank AAU for two years, a member of the Regional AAU Swim committee for two years, and a member of the National AAU Swim Committee for two years.

Reisinger resides in Granite City at 2532 Delmar Ave. with his wife, Shirley, and four daughters: Geri Lynn, Debbie, Karen, and Judy. All four girls are swimmers. Geri and Debbie will be assisting their father with the team.

Judy will be swimming on the team. Karen is in Kansas City swimming for the Kansas City Jets Swim Club in preparation for the 1976 Olympics.

To be eligible for the team, a child must be able to swim two lengths of the pool and be a Y member. Coach Reisinger said, "I am going to try to build a good age group program instilling in the children a desire to swim competitively."

Fees for the swim team will be \$6 a month for the first child for the season and \$5 a month for each additional child in a family. More information may be obtained at 876-7200, or at the Y at 2001 Edison Ave.

A proposed advanced waste treatment facility and waste treatment operator training center at Southern Illinois University at Edwardsville would meet all current federal and state effluent and water quality requirements, according to testimony at a public hearing on the SIUE campus last week.

The hearing was attended by representatives of the U.S. Environmental Protection Agency, Illinois Environmental Protection Agency, SIUE School of Science and Technology and Clark, Dietz & Associates.

The hearing was attended by representatives of the U.S. Environmental Protection Agency, Illinois Environmental Protection Agency, SIUE School of Science and Technology and Clark, Dietz & Associates.

He indicated the proposals would comply with all effluent and water quality standards currently required by federal and state environmental agencies. No questions were

raised by the representatives of the agencies who attended the hearing.

Illinois Gov. Dan Walker announced in October 1973 that a \$2 million grant from the Illinois EPA would be made to SIUE for the new facilities.

B. D. Hudgens, SIUE vice-president for business affairs, who presided at Monday's hearing, said construction is expected to begin early next year. The new structure will be located adjacent to the existing waste water treatment plant on the northwest side of the campus.

SIUE has been sponsoring a sewage treatment plant operators institute since 1967. Non-credit programs have helped upgrade skills of sewage and water plant operators throughout Southern Illinois.

When the new facilities are completed, SIUE will be able to expand existing programs and offer a broader range of waste water treatment instruction. Federal EPA officials report the training center will be the first of its kind in the nation.

First Baptist scene of Boyer-Skalsky wedding

Miss Deborah Skalsky, a daughter of Mr. and Mrs. Harold Skalsky Sr., 1725 Olive St., and Jeffrey Boyer, son of Mr. and Mrs. Dean Boyer, 30 Miami Court, were united in marriage Saturday evening at

the First Baptist Church, 21st Street and Delmar Avenue. Large bouquets of orchid and white flowers decorated the altar and purple tapers in candelabra festooned with bows and similar provided the setting for the double-ring ceremony

MRS. JEFFREY BOYER, the former Miss Deborah Skalsky, who was married on Saturday evening at the First Baptist Church, Granite City. She is a daughter of Mr. and Mrs. Harold Skalsky Sr., 1725 Olive St.

(Greene Photography)

Women's Club hears students

Five students who had received summer scholarships from the Nameki Women's Club gave a review of their participation in the summer programs at a meeting of the club at the Nameki Recreation Center.

Mrs. Louis Meek, student sponsor, introduced Steve Boston, David Epping and Mary Juhasz who attended the Music and Youth Camp at Southern Illinois University, Carbondale, and Jerr Johnson and Daisy Langston who have returned from Allerton Art Camp. Miss Johnson also presented a flute solo during the meeting. Luncheon was served to 28 members by Mrs. Margaret

Arnovitz, Mrs. Pauletta Mueller, Mrs. Margaret Williams and Mrs. Ethel Beeler.

President Mrs. Betty Caldwell read a letter of resignation from Mrs. Peg Ogden who is moving to Bowling Green, Mo. Others attending the meeting were Mesdames Elmer Stranding, J. C. Byers, Wilford Cooley, Lucian Dressel, John Harsh, Harold Jansen, Russell Johnson, William Erwin, Hugh Kraus, John Lentz, Paul Maas, Frank Mercer, James Parmlay, Ted Scheffer, Otto Shelton, James Stuart, Albert Taylor, Irby Todd, Adolph Weiss, Fred Werner and Misses Lily Dod and Lucinda Huck.

performed at 7 o'clock by the Rev. Hugh Foster.

Mrs. Jewel Everett presided at the organ for Paul Mabry as he sang, "One Hand, One Heart," "Wedding Song" and "The Lord's Prayer."

Escorted down the white-carpeted aisle and given in marriage by her father, the bride wore a long white organza gown designed with an oval neckline edged with Venice lace motifs and an organza ruffle. Lace appliques accented the bodice and the high-rise waistline and was repeated on the long-tapered sleeves ending in a flared cuff.

Her slightly gathered skirt featured a gathered flounce and extended into a cathedral length

train. She wore an elbow-length illusion veil secured with a Venice lace headpiece and carried a cascade of white, purple and turquoise carnations, purple baby breath and greenery.

Miss Sharon Nelson, maid of honor, and Miss Nanelle Boyer, a sister of the groom, Mrs. Roger Clutta and Mrs. Tom Klimczak, bridesmaids, were attired in identical lilac dotted swiss dresses.

The gowns were created with Empire bodices, bishop sleeves and scoop necklines trimmed with white Venice lace ruffle. Their long skirts were bordered with a ruffled flounce marked with a row of white

Venise lace. Each attendant held a plateau basket of turquoise carnations, purple statice and lavender baby breath.

The groom selected Steven Brown as his best man, Harold L. Skalsky Jr., a brother of the bride, Roger Clutta, Tom Klimczak, Paul Robertson and Rich Welty completed the corps of groomsmen and ushers.

Guests were received by the newly married couple at a reception held in the church fellowship hall immediately following the service.

For her daughter's wedding, Mrs. Skalsky, chose a long apricot double-knit gown with long sleeves and a V-neckline enhanced with a beaded ap-

plique trim.

Mrs. Boyer, mother of the groom, was attired in an Empire-style gown featuring a beige and pink French illusion lace bodice with roll collar and long fitted sleeves and a full-length pink polyester skirt.

Both mothers wore carnation corsages to match their attire.

Both young people graduated from Granite City High School. The former Miss Skalsky is employed as an apprentice pharmacist at Rose Tricor Pharmacy. Her husband attended Parks College of Aeronautical Technology and is working at Granite City Steel as an industrial engineering analyst.

A rehearsal dinner was

served at Reidel's Restaurant in Edwardsville.

The newlyweds will reside at 2648 Grand Ave.

Out-of-town guests here for the wedding included Mr. and Mrs. Everett Helmes and Missy, Mr. and Mrs. Dillard Sturgeon, Mr. and Mrs. Orville Skalsky, Mr. and Mrs. Charles Ansell, all of Sikeston, Mo., Mr. and Mrs. Alfred Ozmont of Fredericktown, Mo., Mr. and Mrs. Erwin Ernst of Mascoutah, Ill., Miss Leslie Seybert of Normal, Ill., Miss Cindy Vaughn of De Kalb, Ill., Mr. and Mrs. Tom Klimczak, Kansas City, Mo., Bob Schneider, Chicago, Bob Zaleski, Nebraska, and Bob Davidson, New Jersey.

GC Trust bank to open 'dress-a-doll' contest

The seventh annual "Dress-A-Doll Contest" which will provide beautifully dressed Christmas gift dolls for less fortunate children in the community will begin Tuesday, Sept. 24. The contest is sponsored by the Granite City Trust and Savings Bank. The announcement was made by Ernest A. Karandjoff, president of the bank.

The dolls, furnished by the bank, stand 18 inches tall and come dressed in shoes, stockings and underclothing. Contestants finish dressing the dolls in their choice of costumes in any one of six categories. The contest categories are: fancy dress, sensible dress, nationality dress, storybook character, knit and crocheted, and a special category for youngsters under 15 years.

Karandjoff said that anyone who wishes to help provide a deserving child may enter the contest now by stopping in at the Granite City Trust and Savings Bank for a free doll for which to design and sew a costume.

When the costume is completed, the dolls are returned to the bank for prize judging and display. Each category winner will receive a \$50 savings account and the grand prize

winner will receive a \$50 savings account.

Shortly before Christmas, they will be turned over to various local social agencies as Christmas gifts for children of the area who might otherwise be missed at Christmas time.

Optimists to install Oct. 3

Frank McGinness will be installed as president at the installation party for the Granite City Optimist Club to be held Thursday, Oct. 3, at the Plantation Dinner Theatre. The installation dinner will be served at 7 p.m. and the play "Luv" will begin at 8 p.m.

Optimist Ted Eilerman is the dinner chairman. The group met at the YMCA Thursday night for a luncheon and brief business meeting. Members were reminded to sell their tickets to the Camelot Auction scheduled on Saturday, Oct. 19, at the Sunset Hills Country Club.

Tickets which include a buffet dinner are \$11 and may be obtained from any member of the club.

Fifteen divorces granted

Fifteen Quad-City couples have obtained divorces in Madison County Circuit Court. Divorced were:

Deborah Jacks from Thieria Jacks, both of Madison. They were married May 25, 1972. Desertion was charged. Custody of one child was granted to the mother.

Alfred C. Reese from Janet M. (Cardoni) Reese, both of Granite City. They were married June 2, 1974. Mental cruelty was charged.

Donna Darlene (Roberts) Barnhart from Larry Wayne Barnhart, both of Granite City. They were married Oct. 30, 1971. Mental cruelty was charged. Custody of one child was granted to the mother.

Etta Mae (Condray) Clements from Sidney Leo Clements, both of Granite City. They were married April 24, 1965. Mental cruelty was charged. Her former name was restored.

Trol Ann Moehle from Ronald Lee Moehle, both of Granite City. They were married July 26, 1967. Mental cruelty was charged. Custody of two children was granted to the mother.

Cathy Hornberger from Danny Hornberger, both of Madison. They were married March 10, 1970. Mental cruelty was charged. Custody of three children was granted to the mother.

Marrienne Joyce (Weller) Wise, a minor, from David James Wise, both of Granite City. They were married Oct. 9, 1973. Mental cruelty was charged. Custody of one child was granted to the mother.

Heleen (Shedd) Reed from Robert Reed, both of Granite City. They were married Jan. 21, 1972. Mental cruelty was charged. Custody of one child was granted to the mother.

Mary Ann (Logan) Ramsey from Larry Ramsey, both of Granite City. They were married Oct. 22, 1964. Mental cruelty was charged. Custody of two children was granted to the mother.

Sherry L. (Levant) Campbell from Thomas L. Campbell, both of Granite City. They were married Dec. 5, 1972. Mental cruelty was charged. Custody of one child was granted to the mother.

Kay (Evans) Prince from Robert Prince, both of Granite City. They were married April 23, 1970. A felony conviction was used as grounds. Custody of one child was granted to the mother.

Betty Louise (Rigsby) Harris from Henry Thomas Harris, both of Granite City. They were married Oct. 18, 1963. Mental cruelty was charged.

Henrietta Frances (Kohn) Sanders from Clyde Sanders Sr., of Madison. They were married Feb. 11, 1946. Mental cruelty was charged. Custody of seven children was granted to the mother.

William Carl Sudmeier from Alice E. (Gray) Sudmeier of East Carondelet. They were married Dec. 31, 1957. Mental cruelty was charged.

Paulette (DeRossett) Clemensen from Phillip Martin Clemensen, both of Granite City. They were married Aug. 4, 1973. Mental cruelty was charged.

Capital impressed Explorers

A visit to the Central Intelligence Agency (CIA) headquarters, the U.S. Secret Service, personally meeting Clarence M. Kelly, director of the FBI, and the time spent with Congressman Melvin Price were among the many highlights of the Explorer Post 104 trip to Washington D.C. in August.

J. Richard Hooks, advisor to the post, and Kiwanian W. F. "Mike" Strange, institutional representative for the Madison Police Department and Lions Club who co-sponsor the Madison post, spoke to the Breakfast Kiwanis Club Thursday morning at Charlie's Restaurant.

Comments by various Explorers at their last meeting in describing the people they met were told. "He's nothing but medium cool," one explorer remarked who was impressed with the Secret Service.

Strange said both the explorers, and adults on the trip were much impressed with Congressman Price and FBI Director Kelly.

Strange noted that most of the money to make the trip was raised by the explorers themselves, but that additional financial help was given them by the Madison Lions, Madison Police, and Madison County Deputy Sheriff's Association, in addition to the McDonald Hamburger Co. The McDonald company furnished the "Big Mac" luxury bus which was driven by Kiwanian Arno Sponaman of Granite City, who is also a member of Post 104's adult committee.

BOY IS BEATEN
Richard Brown, 16, of 152 Viola Jones Homes, Venice, suffered a broken left arm and other injuries after several youths beat him near Viola Jones Homes, it was reported at 10:15 p.m. Thursday. Brown said he was walking home and two cars stopped nearby, several youths getting out and beating him. He was taken to St. Elizabeth Hospital.

George Clyde dies at 69

George Clyde, 69, of 3226 Hodges Ave., a retired painter, died at 12:07 p.m. Friday at St. Elizabeth Hospital, St. Louis, where he had been hospitalized six weeks.

He was born in East St. Louis and had resided in this area almost all of his life.

Mr. Clyde had been self-employed in the painting business.

He was a member of St. John United Church of Christ and belonged to the Venice-Madison American Legion Post 307, VFW Post 1300 and the Eagles.

His wife, Mrs. Florence Lucille Clyde, died Dec. 5, 1970.

Survivors include three sisters, Mrs. Olivia Bourbon, Mrs. Anthony (Florence) Vesci and Mrs. Norman (Beulah) Rensing, all of Granite City; two brothers, Andrew Clyde of Granite City and Adolph Clyde of Edwardsville.

Funeral arrangements are given in the obituary column.

Arrest 4

Four St. Louis men were arrested at 8:40 p.m. Saturday after police followed their auto for several blocks and stopped it, alleging it was being driven in an erratic manner.

Charged with illegal transportation of liquor were Carlton Turner, 27, and Robert Abney, 27, both of St. Louis. Robert Abney also was charged with having no driver's license.

Two other men in the car, Dean Abney, 30, and Lee Edgar, 40, both of St. Louis, were charged with illegal possession of alcohol.

Store damaged, arrest driver

John Prusack, 19, of 1913 Fourth St., Madison, was arrested by Madison police at 3:20 a.m. Sunday and was charged with leaving the scene of an accident, reckless driving and intoxication.

He allegedly drove through the front sidewalk mall of K-Mart at 3 a.m. Sunday. Witnesses said a car drove south into the walk area and struck a plate glass window. The auto then backed up and went forward into another window. The vehicle then went south and ran over several sacks of fertilizer and evergreen trees before driving away.

Granite City police gave a description of the auto to area police departments and Prusack's auto was stopped minutes later in Madison.

Faces 4 charges

John Gregory McClellan, 25, of St. Louis, was charged by Venice Police with a stop sign violation, possession of marijuana, no firearms identification and unlawful possession of a 22 caliber pistol at 1:30 p.m. Sunday.

McClellan said they stopped the van after it passed a stop sign at Meridocia Avenue and Market Street.

Police reported they found a substance believed to be marijuana, two boxes of 22 caliber shells and a 22 caliber automatic pistol wrapped in a shirt, in the truck.

McClellan was held in Venice City jail pending court action.

PARENTS OF GIFTED MEET
The Parents Association for Gifted Education met at the Tri-Mor Bowl, Thursday night, when "Educating the Talented" was the main program topic. A question and answer session followed. The group expressed enthusiasm about learning more concerning gifted education in the Granite City schools. About 25 persons attended.

Art show still has openings

Area artists are responding to an invitation by Courtesy Motors of Granite City to participate in an all-day outdoor art sale and competition scheduled to be held Saturday, Sept. 28, on their premises.

Several spaces still are available, and entries for the event may be obtained at the business sales office, located at Cleveland Boulevard and Niedringhaus Avenue.

Artists must be 18 years of age or over, and are required to

participate in the sale and show to be eligible for the competition. Work entered in the contest must be original, and may be in any media.

There will be cash prizes and ribbons for the winning works, and the awards will be determined by a qualified judge.

It is anticipated that over 300 original works of art, paintings, sculpture and other 3-dimensional works, will be on display and available for purchase by area residents and business.

Ebersold named delegate

The Venice City Council named Mayor William "Mike" Ebersold as the city's official voting delegate to the Illinois Municipal League convention in Chicago, Oct. 28 through Oct. 30.

Alderman Tyrone Echols was appointed first alternate.

A building permit for a 12 foot by 65 foot mobile home at 204 Hampden Ave. was approved, providing it meets all requirements of city ordinances. Approval was recommended by John Bouschard, a city building inspector.

The annual audit report of the cities assets and liabilities for

the year ending April 30, 1974, was presented.

The council approved the purchase of two radios and three automatic nozzles for the fire department, costing \$750, a set of new manuals at \$150, and a dress uniform costing \$150.

Alderman Thomas Voegel introduced two men from Arabia, South America, Victor Orman and Siegfried Egan will live in Venice for the next two years while they attend trade schools in St. Louis. They presently are living with the Bouschards while an apartment is being prepared for them.

School accounting workshop

Ten regional workshops to assist school districts with implementation of the revised Illinois Program Accounting Manual for Local Education Agencies will be held by the Office of the Superintendent of

Public Instruction beginning in October. One session will be Oct. 10-11 at the Collinsville Holiday Inn on Route 157.

The one and one-half day workshops are designed for those districts that wish to use the new manual—it is not mandatory—to discuss techniques for changing to the new program accounting system and to help district representatives develop an implementation plan.

The workshops will last from 8:30 a.m. until 4:30 p.m. on the first date and adjourn at noon on the second date.

Photography club in second year

The Photography Club of Granite City High School-South is beginning its second year. Purpose of the club is to promote student interest in the field of photography.

The club will have lessons on photography at its bi-monthly meetings. This will include guidelines to better photographic composition, various lighting procedures, exposure settings, working with filters, and darkroom techniques.

The members will develop and enlarge all black and white photographs taken. Throughout the year they also will develop and mount color slides.

The sponsor of the club is Mrs. Deemana Spudich, a special education teacher.

The president for the school year is Peggy Jo Hackney; vice-president, Bruce Gordon; secretary, Debbie Hoesa; and treasurer, Fred Schreiber.

Hurt on Madison

Francis King Jr., 1721 Third St., Madison, was injured when his auto struck the parked car of Kenneth Lewis, Rural Route One, Box 18, Granite City, in the 800 block of Madison Avenue in Madison at 6:55 a.m. Saturday.

King told police he thought he fell asleep at the controls of his car. After hitting the parked car, King's vehicle damaged bushes at the home of Bessie Bogieff, 821 Madison Ave., before coming to a stop.

King went to St. Elizabeth Hospital where he was treated for a jagged cut to his lip and was released.

Public arthritis forum

A "Public Forum on Arthritis" will be held Tuesday evening, Oct. 1, at 7:30 p.m. at the American Legion Hall, 1825 State St.

The public is invited to the program, which is being offered free of charge as a community service by the Arthritis Foundation.

Dr. Bevera Hahn of Granite City and Dr. Owen S. Kantor, rheumatologist with the Washington University Medical School, will present the

program. It will include discussion of the various types of arthritis and methods of treating the disease, a color film, a question and answer period and distribution of free factual booklets about arthritis.

The Arthritis Foundation is a member of the Tri-Cities Area United Way. For more information about the program, local residents may call the Arthritis Foundation at 1-314-421-3550.

Warning on 'repair' work

Quad-City area residents were warned Friday by the Granite City Police Department to be alert for repairmen and handymen who may be involved in confidence games.

A police spokesman said his department has received reports of as many as several hundred transients who have come into this area for a short period of time. Many of them are seeking legitimate work, but incidents of homeowners here being "fleeced" have been reported.

One man last week agreed to

pay \$8 to have his chimney sealed and ended up paying \$60 for the work. An oil substance was sprayed on the chimney, not a sealer.

The police spokesman said confidence games often center on the repairs of driveways, chimneys, sealing basements or handyman jobs.

He said homeowners who are approached to have work done should contact the police department at 877-4111 before agreeing to the work. Police will help determine if the worker is legitimate.

MAN FROWN BLEEDING

A man was taken from a home in the 1700 block of Third Street in Madison for hospital care at 1:20 p.m. Thursday after he was found on his back porch, bleeding from the throat and both wrists. A carpet knife was found on the porch.

A WORD OF ADVICE FROM ILLINOIS POWER:

Now is the time to check your chimney

If you heat your home with gas, coal or oil, now is the time to check your chimney flue. During the summer months, some chimneys become blocked with soot, bird nests or falling bricks. This creates a safety hazard when furnaces are used in the fall.

To check a gas furnace vent, hold a lighted match under the draft diverter. If the flame is pulled into the diverter, the vent

is clear and safe to use. If the flame blows back, the vent is blocked and unsafe.

To check a coal or oil furnace vent, remove the vent pipe and hold a mirror inside the chimney to see if it is clear.

If you have any questions on how to examine your chimney or furnace, just call your Illinois Power office. We'll be glad to advise you.

IP IT'S OUR BUSINESS TO SERVE YOU BETTER

ILLINOIS POWER COMPANY

Unions back United Way

The Tri-City Trades and Labor Council last week endorsed the Tri-City United Way campaign and urged all union members—both affiliates and non-affiliates—to invest one hour's pay each month through the United Way in their communities.

A resolution urging cooperation in this year's drive was adopted by 36 delegates attending a meeting of the council in the Labor Temple. The resolution said: "Whereas, cooperation with the United Way is in keeping with our union commitment to the voluntary effort of a free people to make a better

community for everybody. And, whereas, we recognize and respond to the needs of the less fortunate, the disadvantaged, the handicapped, the abandoned, the dependent young and the neglected aged. And, whereas, the times provide a climate where those without means are cruelly in need,

Therefore, be it resolved that the Tri-City Central Labor Council, AFL-CIO, endorses the United Way Campaign and urges all union members—both affiliates and non-affiliates—to invest one hour's pay each month in their community through the United Way.

Liquor store robbed

An armed robber stole an undetermined amount of money from J&J Liquor Store, 3112 Maryville Road, as the store was closing at 11:05 p.m. Sunday.

A clerk said she was locking the doors to close when a young man, about 20, entered with a stocking over his face. He displayed a sawed-off shotgun about 16 inches long and said, "I want your money."

The clerk went behind the counter and the man demanded she open a drawer which had no money in it. He then ordered her

to open the cash register and he took the money from it. An owner of the store came out of the back room as the gunman was leaving.

The robber then left and fled on foot east into high weeds. Police stopped a young man nearby, but the victims were unable to identify him as the robber and he was released.

The hold-up man was described as about 5 feet, 9 inches tall, weighing about 160 pounds and wearing blue denim pants and a brown jacket.

New community funding plan outlined to county, cities

Cooperation between Madison County and its municipalities in developing projects to which all agree can mean a federal nest egg of approximately \$7 million during the next three years, according to a government plan outlined to municipal and county officials in a meeting at Edwardsville last week.

According to Mrs. Mary Kane of the Southwestern Illinois Metropolitan Area Planning Commission, the money will be available under the federal "Housing and Community Development Act" in which \$8.4 billion is to be distributed nationwide over the next three years.

Of this amount, \$30 million has been earmarked for Illinois, with \$7 million available to Madison County.

Madison County, to qualify for the money, must achieve "formula county" status which is defined in part as one having a population of more than 200,000.

On the basis the county would have to prepare projects which municipalities would participate to meet the population requirement.

Mrs. Kane and Theodore Miksell, director of SIMAPC, told the meeting that the money can be used for virtually any type of project and may be used for planning purposes. They said they are confident that the U.S. and the East-West Gateway Coordinating Council would approve any properly prepared application consistent with conditions and needs of the communities.

Carl Chrusciel, 70, dies

Carl Walter Chrusciel, 70, of 1643 Second St., Madison, died at 5 p.m. Friday at Barnes Hospital, St. Louis. He had been ill four years and in the hospital six days.

Mr. Chrusciel was born in Warsaw, Poland, and resided here 56 years. He retired in 1966 from the New York Central Railroad where he had worked 27 years as a carman. He was a

member of the Brotherhood of Railroad Carmen. Surviving are his widow, Lucille; three sons, William and John Chrusciel of Granite City and Charles Chrusciel of Troy; two daughters, Mrs. Donald (Dorothy) Cramer of Granite City and Mrs. John (Marion) Wilburth of Madison; three sisters, Mrs. James (Helen) Smith and Mrs. Virginia Ursey of Granite City and Mrs. Michael (Ida) Dmytryk of Benid; 18 grandchildren and one great-grandchild.

Funeral arrangements may be found in today's obituary column.

Mrs. Ann Graves dies

Mrs. Ann Esther Graves, 53, of Highway 162, Box 4437, Granite City, was pronounced dead upon arrival at St. Elizabeth Hospital at 6:45 p.m. Sunday.

She became ill at her home and relatives summoned an ambulance to take her to the hospital.

Born in Nebraska, Mrs. Graves lived in this area for about five years. She was employed as a cook at Colonial Haven Nursing Home. Mrs. Graves attended

the Tri-City Park Tabernacle Church.

Her husband, Albert Graves, died in 1972.

Survivors include three daughters, Mrs. Ann Klotz of Indianapolis, Mrs. Betty Hillig of Chapin, Ill., Mrs. Rosemary Cooper of Granite City and Mrs. Patsy Ruchala of Tinley Park, Ill.; one son, William Scholl of Perryville, Mo.; a brother, Howard Borchering of Jacksonville, Ill., and seven grandchildren.

Funeral arrangements are given in the obituary column.

Joseph McLean, 61, succumbs

Joseph Edward McLean, 61, of 415 N. Fillmore St., Edwardsville, assistant manager of National Auto Supply, 1843 Madison Ave., died at 8:30 today at St. Joseph Hospital, Highland.

He was lifelong resident of the

Edwardsville area and a veteran of World War II.

He was preceded in death by his parents, Mr. and Mrs. Joseph (Frances) McLean, and a sister, Mrs. Esther Lerch.

Funeral arrangements are given in the obituary column.

Rob 2 women

Mrs. Beverly Davis, of the 1600 block of Fifth St., Madison, and Jerline Stein, of the 1500 block of Second St., Madison, were robbed of their wallets by two armed gunmen at 11 p.m. Thursday in front of the Stein residence.

The women said they were in their auto talking when two men approached, one displaying a double barrel shotgun and the other having a pistol. One said, "Give me everything you got."

They took two wallets containing about \$9 from Mrs. Davis' purse and a wallet with about \$3 in it from the other woman. One man then said, "We want all of it. This isn't all of it." They searched further and then left.

A shot was fired at the car as they left and police recovered a spent slug in the car. The women were not injured.

North 'Rap' on Tuesday

A new informational exchange program named as "Student-Citizen Rap Session" will begin at 7:30 p.m. Tuesday in the cafeteria of Granite City High School.

The purpose of the program is to give citizens, parents and students interested in the welfare of North a chance to meet informally and hold open and frank discussion on matters relating to the school.

Flag ceremony planned by Elks

A flag that has flown over the White House at Washington will be raised at the Elks Lodge 1063 building in a ceremony at 7:30 p.m. Tuesday, it was announced today. The ceremony will take place during a regular lodge meeting.

The flag will be presented to Exalted Ruler Don Watson by A. Michel, lodge trustee, on behalf of Cong. Melvin Price of this district who sent the flag to the lodge. James R. Kenney of Granite City, president of the Illinois Elks Association, and other state representatives of the organization, will be present.

South yearbook orders Tuesday

Students at Granite City High School South that want a Warrior yearbook at a cost of \$7, must place their orders Tuesday, Sept. 24, in the balcony of the boys gym during the lunch hours. The cost of the book must be paid in full when ordering.

A summer supplement will be included with the price of the year book.

Mrs. Cynthia Hornell is the year book staff advisor.

COMMITTEE TO MEET

A committee named to investigate the possibility of establishing a food stamp distribution office in the Quad-City area will be held at 5:30 p.m. Thursday in the Madison City Hall, it was announced by Hugh Hairston of Venice, Chairman of the committee.

SENIOR CITIZENS TO MEET THURSDAY NOON

Members of the More the Merrier Senior Citizen Club will meet for the first time in the new Senior Citizen Center at 1918 Edison Ave. Thursday. President John Windmeier suggested each member bring a sack lunch.

Dorothy Davis to lead Women's Division, Chamber of Commerce

Miss Dorothy Davis, Illinois Power Company lighting specialist, was elected president of the Women's Division of the Tri-Cities Area Chamber of Commerce at a meeting Thursday evening.

The installation will take place at the 7 p.m. Oct. 10 dinner of the Chamber of Commerce, to be held at Granite City High School North. Installing officer will be Dr. Felicia Koch, charter president of the Women's Division.

Miss Davis will succeed Mrs. Sara Dempsey as president.

Mrs. Mary Jessee was elected

as vice president, succeeding Mrs. Mary Blankenship, and Mrs. Betty Miles was chosen as secretary, replacing Mrs. Norma Schroeder.

Mrs. Lois Winter was re-elected as treasurer.

Those elected as directors were Mrs. Pauline Seebold and Mrs. Blankenship.

Others present included Mesdames Jo Meyer, Billie Schuler, Bonnie Sullivan and Janet Partney.

Area Council plans programs

The executive board of Area Council PTA met Thursday evening at Lake School and adopted the theme of "Why Council?" for the ensuing year.

President Mrs. Dorothy Phelps presided and announced committee chairmen as follows: historian, Mrs. Alma Burnett; publicity, Mrs. Donna Halbert; program, Mrs. Faye Kirgan; exceptional child, Mrs. Genevieve Hellrich; hospitality, Mrs. Kate Wilson; membership, Tom Telford; school board, Dale Phelps; and cultural arts, Mrs. Sadie Bringer.

Mrs. Phelps announced the first regular meeting of the Area Council will be held at Russell Johnson School Thursday evening with a pot luck dinner at 6:30 p.m. The business meeting will begin at 7:30 p.m. and the program will be in relation to news releases, given by a representative of the Press-Record news staff.

The calendar of programs for the 1974-75 year will include the November meeting at Niedringhaus with PTA District 29 board members as guests; January meeting at Nameoki School with an open forum consisting of a panel of

representatives from the school board and administration.

The March meeting is set for Parkview School with election of officers and a discussion of the state PTA, "our money and the value of the convention"; May meeting at Wilson School to host the installation of officers.

An annual awards banquet is planned for February, the president reported.

Plans were reviewed for a representative of the school board to be present at each area Council meeting to discuss school policy.

Those attending the initial meeting were Mesdames Faye Kirgan, Mary Lou Hudson, Dorothy Baker, Virginia Apperson, Kate Wilson, Vera Farrow, Alma Burnett and Sadie Bringer.

Nameoki PTA hosts dinner

A pot-luck dinner highlighted the first regular meeting of Nameoki School PTA with approximately 55 attending.

Following the dinner a business session was conducted by the president Vince Rogier. He announced the PTA unit will sponsor the first skating party for students on Oct. 7.

He also reported the only fund raising project to involve the pupils will be a candy sale during November.

Principal Don Kopp introduced the teaching staff and spoke on the school rules and policies.

The next meeting will be scheduled in November due to Open House during October.

MR. AND MRS. JOHN WORTHEN whose wedding took place at Grace Baptist Church. She is the former Miss Cindy Brooks, a daughter of Mr. and Mrs. Hoyal Stewart Brooks, 2313 E. 23rd St.

Worthen-Brooks nuptials at Grace Baptist Church

Miss Cindy Brooks, a daughter of Mr. and Mrs. Hoyal Stewart Brooks, 2313 E. 23rd St., and John Jeffrey Worthen, son of Mr. and Mrs. Paul Worthen, 37 Janday Lane, exchanged wedding vows in a double-ring ceremony at 7 p.m. on Aug. 9 at Grace Baptist Church.

The Rev. William Duvall officiated at the candlelight ceremony, before an altar adorned with tall white vases holding arrangements of pastel-colored summer flowers.

Mrs. Marge Ellsworth presided at the organ for her daughter, Miss Marjean Ellsworth, as she sang, "Colour My World." "The Wedding Song" and "The Lord's Prayer."

Lighting the candles were Mike Brooks and Nanette Smith, a brother of the groom and cousin of the bride.

A white organza gown appiqued with Chantilly lace motifs complemented with a mantilla veil, edged with scalloped lace, and secured with a cluster of pearls, was worn by the bride.

Long-fitted sleeves accented with lace were set into the molded bodice featuring a high stand-up lace collar. Her A-line skirt was fashioned with a gathered flounce defined with wide lace appliques.

She carried a crescent bouquet of white carnations, daisies, blue baby breath and accented with blue and white streamers.

Maid of honor Miss Connie Jackson and bridesmaids, Miss Ginger Munoz, Miss Cindi Moss and Miss Paula Worthen, a

sister of the groom, were dressed alike in rainbow-colored chiffon gowns.

Their dresses were created with long sleeves ending in ruffled cuffs and softly folded lace collars.

Each girl wore a picture hat trimmed in blue, pink, yellow, green and orchid streamers to match their gown, and held a colonial bouquet of white carnations and tinted daisies in pastel colors.

Junior bridesmaid was Carla Brooks, a sister of the bride, and the flower girl was Denise Woffard, the bride's cousin.

They appeared in orchid and blue frocks.

Attending the groom as best man was Craig Stevens. Dave Carmody, Jerry Macious, Ken Brooks, a brother of the bride, served as groomsmen. Buddy Worthen, the groom's cousin, was the usher, and Jason Smith, the bride's cousin, was the ringbearer.

Miss Paula Schuler registered the guests at a reception given at the Engineers' Hall in Mitchell, immediately following the service.

Mrs. Brooks was attired in a peach organza dress and jacket ensemble. The groom's mother selected a pale green gown worn with a short-fitted lace jacket. They both wore orchid corsages.

The couple is now residing in Granite City following a wedding trip to Florida.

Both are graduates of Granite City High School. The groom is employed by the Worthen Construction Co.

Steel jobs at highest level in 3 years

Domestic steel industry employment in July reached its highest level in more than three years, new American Iron and Steel Institute figures disclose.

AISI said 524,000 persons were engaged in production and marketing of steel in July. This was an increase of 4,500 persons from June—and the highest steelmaking employment level since the 535,600 total reached in June 1971.

During July, steel producers paid out \$664,707,000 in wages and salaries, bringing the total of such payments through the first seven months of 1974 to \$4,448,483,000. ©

Despite a seasonal decline in July, domestic steel shipments remained significantly ahead of their 1973 record pace through the first seven months of this year.

Mills in this country sent their customers 66,877,000 tons of steel mill products in January-July 1974. This was 1,851,000 tons more than shipments during the same seven months of last year.

July shipments were 8,843,000 tons, a drop of 455,000 tons from June. However, the July total was still 149,000 tons higher than shipments for the same month of 1973.

The main impetus for the continuing steel shipment boom has been sustained heavy demand from steel service centers, the construction industry, capital goods and energy producers, container makers, rail transport, shipping and agriculture. This demand has more than offset a sharp decline in shipments to the auto industry.

SAVE ALMOST \$9 TO
ALMOST \$29 WHEN
YOU BUY ANY 2 TIRES!

GUARANTEED 36 MONTHS

STRONG 4-PLY
POLYESTER CORD BODY

NO EXTRA CHARGE
FOR INSTALLATION

GRANTMASTER TIRE GUARANTEE

1. Tread Life Guarantee Against Road Hazards
We guarantee all Grantmaster tires against failures from all normal road hazards for the life of the tread with the exception of ordinary nail punctures, fire, theft, frost and misalignment, under-inflation, over-inflation and running flat.

2. Tread Life Guarantee Against Defects
We guarantee the Grantmaster tire against all defects of material and workmanship for the life of the tread. Basis of Adjustment: Should your Grantmaster tire require adjustment under Section 1 or 2 of the Guarantee, please return it to Grants and we will replace it by giving you a proportionate allowance for the unused tread, based on the current selling price, including Federal Excise Tax.

3. Guaranteed Against Tread Wear
The original tread is guaranteed not to wear out for the number of months designated if tread wears out during this period, the tire should be returned to Grants and we will replace it, charging the current regular selling price plus Federal Excise Tax less the following percentage allowance toward the purchase of a new tire.

Tire Guarantee	Allowance
18-27 Months	10%
28-40 Months	25%

This guarantee covers tires in passenger car service only. Passenger car tires used in commercial service reduce the guarantee period 50%.
